There will be no general meet-

ing in December. Next meeting will be Jan. 15.

Get well wishes in hospital to Lil Christie and Mr. Murphy and Mrs. Godin.

Women's Drop In Centre
 The centre has had a successful fall season. A variety of crafts sessions have been held as well as days to just drop in and chat.

This is the place to come ladies if you are new in town; if you need information; if you have something to share.

Bring your knitting; bring yourself. Share a smile.

Lori Robb had us all enchanted with her snow people craft session. We all tried to make a snow person and several women were so pleased with their efforts that they purchased materials to make more at home.

The previous week, Georgette Cebrario, capably assisted by Sandra Larivee, shared with the women the making of dough wreaths.

No two were alike and our interpretations of some fruits brought ready laughter but all will be proudly displayed in our homes.

This week Donna Mikeluk will share pointers on coping with stress, a timely topic.

These sessions are usually relaxing and spark great discussion. Coffee is always on ladies so come on out Mondays at the library, 1:30-3 p.m.

Events Calendar is now ready. For your copy stop by the office anytime between 9 a.m. and 5 p.m.

Community Calendar

The calendar will assist in keeping the community better-informed of local happenings as well as helping our new residents in familiarizing themselves with the community.

This column includes the name of the group contact person, date, place and time of their meetings as well as any special events they are planning. Any groups wishing to have their meetings or special events published on a regular basis should contact the recreation office at 824-2317.

Teen & Children's Aerobics- Debbie Tremblay, one of our aerobic instructors, is presently explaining the possibility of organizing a teen and children's aerobics program. If you are interested, contact Debbie at 824-2026 or the recreation office at 2317.

Programs

The recreation office is presently taking registrations for the following programs:

Computer Course- an introduction into the micro-computer using the Tandy machine. The course will be held on Wednesday nights at the high school with Mr. Bill Houston doing the instruction;
