

Schreiber's torch day plans on the go

By Ken Lusk
The News

The Schreiber Torch Days Committee had a meeting on Nov. 19 and several exciting plans were made.

One development was the plan to hold a curling demonstration session at the curling club on Dec. 5 from noon to 5 p.m.

Curling is presently a demonstration sport in the winter

olympics.

Curling Club President Bill Howard said there will be demonstrations of skills and techniques that will also see participation by the general public.

Bill Hiller, Shane Riley, and Gabe Cousineau will conduct the session.

The session will coincide with the cash skins game in Thunder Bay. There will also be a cash skins game in Schreiber in the

evening of Dec. 5 for club members.

Curlers and non-curlers are invited to attend.

As well, an olympic bonspiel is tentatively planned.

There would be four end games and the teams would represent different countries of the world.

As part of the Olympic Torch Ceremony, a replica of the torch will be made and used by kids of the public school. They will carry it from the school to the Schreiber Recreation complex parking lot at about 7 p.m. on Friday, January 8, to start the weekend Schreiber Torch Days.

The rest of the school kids can carry flashlights to simulate a torch.

The torchlight walk will officially open the weekend ceremonies. The torch will be used to light a huge bonfire in the parking lot.

At this time, there will be free public skating, a youth dance and a legion dance.

On Saturday, January 9, there will be a tot dance, a play day, and at 3 p.m., the Firemen's

Contraption race is planned.

That evening there will be a spaghetti supper and a moccasin dance.

On Sunday, January 10, a sleigh ride is planned for 1 p.m., and at 3 p.m., a ringette game is scheduled for 'the little ones'. A minor hockey games is also planned which will pit the referees against either the midjets or the bantams.

That night there will be a broomball game which will pit town council and the recreation committee against the firemen and the firemen's auxiliary.

During the Schreiber Torch Days weekend, ice sculptures by different groups and organizations are planned as well a road hockey tournament.

The OPP will be judging the sculptures.

Ceremony

The actual ceremony at the complex parking lot will see the traylor that the torch bearer will arrive at parked at an angle to the hall. This will in effect block any wind there might be from hitting the people.

The final schedule of all events will be posted on December 15, 1987.
