**Crime of the week #49
Come-By-Chance Resort- Whitefish Lake-**

On Monday, August 10, 1987, a theft of outboard motors and an aluminum boat took place at Come-by-chance Resort on Whitefish Lake 60 kilometres southwest of Thunder Bay on Highway 588.

Sometime after 2:30 a.m. that morning, one or more persons approached the beach area at the resort and set to work upon boat rental units lined up on the beach.

We are uncertain of the manner in which the culprits approached the resort, but they almost certainly left by water.

The thieves, cutting fuel lines, first removed four Mercury 9.9 horsepower outboard motors from the rental units. In addition, a 14-foot Lund aluminum boat, complete with a fifth 9.9 hp. Mercury motor, was stolen.

It would appear that the first four stolen motors were loaded into this boat for removal from the scene. Serial numbers are on file for all these stolen items, valued at \$8,000.

Similar thefts and cottage break-ins have occurred on nearby Whitefish Lake resorts during the past year, and also at location on Arrow and Northern Lights Lake.

While our primary interest is information regarding the actual thefts of motors, we would also be interested in anyone offering for sale any outboard motors of questionable history.

Crimestoppers will pay up to \$1,000, this week, for information that leads to the arrest of the person responsible for this crime.

Call Crimestoppers at 623-TIPS, that's 623-8477, or long distance, toll-free, at 1-800-465-6844, if you have any information regarding this crime.

"YOU DO NOT HAVE TO REVEAL YOUR IDENTITY"

Crimestoppers also pays cash for information on any unsolved crimes.

The Crimestopper reward fund is raised through tax-deductible donations from citizens and businesses.

Cheques may be sent to Thunder Bay Crimestoppers Inc., 425 E. Donald Street, Thunder Bay, P7E 5V1.
