presented to Saima Willoughby. A sing-song was held. Thanks to heritage.

Some of the characteristics that helped our ancestors to give a family name, to name a few: if a man was small he could be named Small, or Smallwood, if near a forest; Mr. Forest, Bush, Treeman, or Mr. Short or Mr. Little.

If a big man, he could be Longfellow, or Tallman; if a man had sly ways like a fox, he could

be named Mr. Fox, Foxman, or Sly.

Then some were named after birds and other animals or actions: Mr. Sly, Mr. Partridge, Swimmer, Dove, Bird, Birch, Deerhead, etc.

Fighting men of early days wore suits of metal from head to toe, carried a shield, and wore a large cape-like cloak or coat.

They had their insignia of their shield as a sign to indicate that they wouldn't be killing a friend or relative.

Records were kept of each warrior's insignia. Each family's coat of arms refers to their family's history.

The words Coat of Arms were taken into history from referring to the coat or cloak worn over the suit of armor.

These Coat of Arms are excellent sources of tracing a family tree and offers an attractive suggestion of a gift to a relative who is anxious to trace their background.

## Local Bowling News

All our bowlers did well though. Our Youth league is in the midst of their steps to stardom. I'll try to get more information once they are done this.

Our adult bowling is going well. We are in the middle of the Walker's Special Old Doubles, so I don't have any winners to announce yet.

We just finished the Carling Sun Bowl and I'll give you the winners.

They were; Kathleen Cramer, Pat Maenpaa, Sheila Montey, Cathy Lemeiux, Barry Vaillant and Stan Greenwood.

Stan Greenwood placed 7th in Thunder Bay. Congratulations Stan. Way to bowl!

Hi again. Our bowling season started earlier this year so we are well into our season now.

Let me take this moment to thank the town council and the recreation centre for the improvements to our alleys.

We have four adult leagues this year plus the Youth Bowling Council, Under 100 Club and our Smurf Club.

Our Smurf Club has only bowled two weeks but are they having fun! These bowlers are between the ages of two and five.

Here are some of our high bowlers in the Smurfs: Amber Petto, with 91; Emely Maenpaa, with 97; Siobhan Falzetta, with 86; Neal Moon, with 82 and Jennefer Query with 80.

Anyone who has ever bowled before can realize how hard it is to bowl a 300 or over.

So I'd like to take this opportunity to congratulate these people: Paul Sodaro, 351; Gene Woods, 336; Terry Edmonds, 322; Debbie Papineau, 346; Tom Long, 315; Marlene Dobush, 313; Linda Falzetta, 303; Dan Imbeault, 301; and Dave Falzetta, 341.

Here are high averages for each league. Men's League: Gene Woods, 223; Ladies' Evening: Linda Falzetta, 212; Ladies Afternoon, Lea Falzetta, 199; Mixed League: Tom Long, 221; and Linda Falzetta, 201. Keep us the great bowling.

Let me take this moment to extend an invitation to you to "bowl for the health of it".

Open bowling is Wednesdays from 7-8 p.m. and Sundays from 2-4 p.m.

It is a lot of fun and it is something you can do with your whole family. That's all for now.

*Yours in bowling,*  
Shelley Long,  
secretary and chairperson,

### NOTICE

TO SKI-DOOERS AND PARENTS  
OF SKI-DOOERS:

The property known as ML-196-E bordering the south side of Schreiber where the Graham home is located is **PRIVATE PROPERTY**. Due to damage to out buildings, theft of property, and littering, we ask that you do not cut through this property when ski-dooing or pursuing other winter recreation. This includes the road which goes to the cement block building. You can reach the hydro line by hydro installation and using the road outside the property through to the "old dump".
