The fence at the end of the driveway had been cut with bolt cutters and once on the property, the house, as well as several storage sheds, had been entered.

Stolen from the residence were approximately 20 firearms, including rifles, shotguns, a German-made rifle, a Russian army rifle, and a Canadian Jungle Carbine rifle.

Also stolen were five, 25-horsepower Mercury outboard motors in their shipping crates, and a 1984 Ski-doo Safari, which was driven from the scene.

A red "Beach" mechanics roller tool chest containing miscellaneous hand tools, and power tools were also stolen.
