OPP's Rolland acting detachment commander

Darren Rolland, an Ontario Provincial Police constable in Schreiber for the last six years, has been the acting detachment commander in Schreiber since early January.

Immediately following the unfortunate death of Corporal Donald Burton in December of 1986, Constable Don Anderson was in charge of the detachment for three weeks until he left to work down south. Rolland took over at this time. Rolland will hold this position until the new detachment commander arrives in Schreiber on March 14.

He is Corporal Any Templar from Longlac, Ontario.

Lease holder will look on Hwy. 17

Theo Panagakis, Diane's Place lease holder until March 31, told the *News* that once he's finished at the restaurant, he will look along Highway 17 for another place to work.

"I don't mind if there is an A&W or not. It's not good for the local people or businesses," Panagakis said. "The money will be taken away from town; from here (people) will take it away."

"What will happen to the kids? Where will they go?" he asked. Panagakis told the *News* that now the kids can get together at the restaurant. But when the A&W opens, the kids will not be allowed to 'hang around'.

"I'll get another, better business. \$40,000 I lost here."

Panagakis, a Montrealer, said he might look in places like Wawa, White River or Manitouwadge to start working again.

Is he mad? "Of course I'm mad; only because I lost my money," he said. "I thought I would get the lease again. I never thought they would put me out."

Panagakis has held his lease for the last three years.

Parking during snow storms

The Terrace Bay Police Force has had some problems lately with vehicles parked on the roads when snowplows were trying to do their job.

The township has a bylaw that no vehicles are allowed to park on the roads at times when snow plowing must be done.

The force can tag and tow any vehicles that are found on the roads during a snowstorm and for the short time afterward that it takes to plow.

Johner Rink wins Annual bonspiel

On the weekend of February 26th, 27th and 28th, the Terrace Bay Curling Club hosted the 40th Annual Ladies' Bonspiel.

The theme this year was "Beach Party" which had the curlers going through their summer wardrobe to display anything from Hawaiian shorts to grass skirts.

Julie Johner, along with teammates Cheryl Hamilton- vice, Lonnie Kyrlo- 2nd, and Annie Malodowich- lead, won overall an 18-rink competition.

Gary Richards, representing Xerox Canada Inc., presented the Johner Rink with individual trophies.

The runner-up in the A event was the Mona Donaldson Rink, with team members Dot Dakin, Bev Turpin and Sandy Dixon; the Claudette Magne Rink of Thunder Bay was the 3rd and the Billie Bagdon Rink placed 4th.

The B event honours went to the Diane O'Neil Rink with teammates Carol Wood, Joan Smith

and Diane Malashewski.

The Runner-up in the B event was the Darlene McArthur Rink. The Joyce Gilmore Rink placed 3rd and the Paul Bajkiewicz Rink placed 4th.

The C event winner was the Barb Hopper rink; the team consisted of Sheri Jowitt, Joanne Moore and Gerrie Strassburger.

The runner-up in the C event was the Dolores Motton Rink (Marathon) with Schreiber teammates Linda Figliomeni, Lucy Figliomeni and Roseanne Comisso.

The Monique Strachan Rink placed 3rd and the Heather Vandergraf Rink placed 4th.

Derby committee

Shown above is the Rosspport Fish Derby Committee at a meeting held on February 29th at the Rosspport Fire Hall. They are, from left, Chuck Hutterli, Cyril Brassard, Doug Stefurak, Robert Beauregard and Les Legault. Not shown are Cathy Gerow, William Collinson and Alex Krystia. K. Lusk photo.

Several new rules for this year's Rosspport Fish Derby

The Rosspport Fish Derby Committee met on Monday, February 29th, in preparation for this summer's annual fish derby slated for July 9th and 10th.

The excitement will be the same but a few rules have been changed. The new rules are:

- the top 10 prizes will be awarded to the 10 largest fish entered;
- all other prizes will be awarded on a draw basis;
- an angler can have only one entry in the top 10 category;
- an angler may enter up to three fish only per day (Saturday and Sunday);
- a derby ticket will be required for each entry.

better than ever with over 60 to be awarded.

Committee Member Cyril Brassard said there were good quality prizes last year and this year will be no different.

There will door prizes of \$200, \$300 and \$1,000 to be won by lucky participants.

Every ticket purchased will be automatically entered in a general draw; if you buy three tickets you have three chances of winning a prize.

There will be a foreign visitor prize this year.

The biggest salmon caught by a non-Canadian at the derby will net that angler a downrigger, to be presented by Chuck Hutterli of Chucky's Charter and Boat Rental.

Hutterli went recently to Minneapolis and distributed 200 flyers announcing the derby and the foreign visitor prize category.

Hutterli will have also have on hand a freezer this year so anglers can cool their catches.

Visitors will also be able to visit the new variety store in Rosspport, Beau's Variety, where groceries and necessities will be available.

The *News* also learned that there are hopes of having the Rosspport Marina partially operating by derby time; the marina, among other things, will house the new Treasure Trove gift shop.

Visitors and locals will of course be able to take advantage of the superb services the Rosspport Inn will have to offer; take note that there will be a limited number of rooms available by derby time.

If you have any questions about the derby you can call either Doug Stefurak at 824-2724 or Cyril Brassard at 824-2392.

Derby tickets are \$2 each, three tickets for \$5. Tickets are available only at Terry's Sight & Sound in Terrace Bay and Western Tire in Schreiber.

Sign on Simcoe Plaza

The *Terrace Bay/Schreiber News* office finally has a sign on the plaza. The sign, which went up last week, will let customers know exactly where the office is. People have told us that they were not quite sure where the office is; now there can be no doubt.

Our orchestras need your help to survive

By Mary Hubelit

Turn on the radio. Turn on the T.V. How many seconds elapse before somebody releases rock-'n-roll sounds? In an elevator, in supermarkets, in our homes, on the streets, we are constantly bombarded by these sounds made by musical instruments.

Our symphony orchestras produce sounds from musical instruments- sounds called "music" which have in turn stimulated, inspired and entertained people for hundreds of years. They tell me young people like this quote 'rock music' unquote and that's fine with me. BUT, does everybody over twenty-five, which includes a significant percentage

of the population, have to submit to the frenetic pounding just to hear the correct time signal or the latest news report?

If our symphony orchestras are going broke and being phased out, the majority of citizens are being deprived of a life-element that is of far greater value than unclad girls and unkempt young men can ever provide. Could we not compromise a little and offer music for adults once in a while on our public programming? The musicians who are part of the classical music field study and work hard for many years to bring perfection to a message we can all use. The conductor 'plays'

see page 8

The major rule change is that three fish can now be entered as opposed to last year's amount of one fish.

The committee members told the *News* that not all fish will be weighed this year.

Only fish that appear to be eligible to be in the top 10 will be weighed. This will eliminate the long line ups that have existed at previous derbies.

But take note that anglers who have purchased derby tickets and do not have a fish in the top 10 will be eligible for the general draw.

As well, if anglers have a fish already in the top 10, they can enter another fish if it is bigger.

The larger fish will go into the top 10 and the smaller fish will go into the general draw. In effect, anglers can bump themselves in the top 10 category.

There will also be a prize and trophy awarded to the largest salmon.

The derby weekend will officially open with a dance on Friday, July 8th, and there will be a hospitality garden for the entire weekend.

The prizes are expected to be
