singing the time away," hey remember that son Mom used to sing with us? How did it go anyway?"

And to the Irish Club and the Irish Tavern Singers, thanks for bringing back some good memories. To those of you who missed the annual St. Patrick's Day Warm

Up you missed a lot of fun but don't worry there's always next year. And as the person responsible for remembering all the words (that's what happens when you can't carry a tune or play a musical instrument) I've started working on a songbook for next year! My memory just ain't what it used to be!

#### The Smurf Bowlers (age 2-5 years) had a great time and would like to thank the following smurf supporters:

- To the Smurfs' parents who came out to help every week.
- To the Terrace Bay Rec Centre and to Dean Main for the smurfing hours donated.
- To Debbie and Wayne Papineau for the Smurfy heart cakes for Valentine's Day
- To Reid's Engraving for the Smurfy engraving on the medallions
- Special thanks to the Terrace bay Five Pin Bowling Association for all their smurfy support.

#### TVOntario needs you

TVO's 75 volunteer regional councillors, in five councils, meet regularly in their regions to advise TVOntario on their communities' needs and to increase awareness of TVO's programs and services. They also help organize local workshops and meetings on the use of the educational television services. TVOntario regional councillors are appointed for terms of up to three years, renewable once. If you wish to volunteer or would like to nominate someone, please send résumés by 30 March 1988 to:
