Schreiber recreation centre news

Weight Training Clinic

The Recreation Clinic will be holding a Weight Training Clinic on Saturday, April 23.

This course will include topics such as: weight training principles, anatomy, biomechanics, equipment safety and example workouts complete with demonstrations. This clinic is limited to 20 participants, so register at the recreation office early.

Acrobats of the Pagoda

This colourful troupe from China will be appearing at the Schreiber Arena on May 4. This is a world-famous group, and it is a once-in-a-lifetime opportunity to view their performance. Plan to attend later; get your tickets now.

Summer employment

Students seeking employment with the recreation department for the summer should get their applications into the office as soon as possible. Application forms can be obtained at the township and recreation offices.

Summer Programs

It is time to start thinking about our summer programs. The Recreation department is planning to run a minor ball program from May 15 to the end of June, and a drop-in soccer program would then operate in July and August. If these programs are going to operate, we will need coaches, umpires and referees. Anyone wishing to volunteer for any of these positions should leave their name and phone

number at the Recreation office.

Swim program

The recreation department is anticipating running 2 — 3 week sessions at White Sand Beach again this year. The lessons would begin on Monday, July 4. The second session is expected to run from July 25 to August 12.

First Aid Course

The recreation department is now accepting registration for an Emergency First Aid Course. When enough interest has been shown in the course, final arrangements will be made.

If you are interested in this course, please contact the recreation office.

North Shore Directors Fun Run (The rivalry begins)

The date is TUESDAY, MAY 25!! Schreiber has been the recipient of the banner for the highest percentage of its population participating for two years in-a-row.

With our increased population, it is important that our new residents are informed of this program and the importance their participation has on the outcome of this challenge.

Dean and Joan are hard at work in Terrace Bay trying to come up with special gimmicks that will entice the Terrace Bay residents into participating.

They would like nothing more than to take OUR banner away from us! It's time to start talking

and spreading the word.

Schreiber will not be beaten; keep dreaming Dean. We will be out in full force and we will retain OUR banner, for there is no greater spirit than that possessed by the Town of Schreiber.
