Secretaries form own chapter

In October 1987, Beverly Legault of Rosspoint and Linda Regis of Terrace Bay, both members of Professional Secretaries International (pSi), Thunder Bay chapter, felt there was potential on the North Shore to form a chapter of their own.

They contacted everyone they knew who worked as a secretary, or in a related field, and a meeting was scheduled for November 1987.

The response was one of enthusiasm and excitement. A small business meeting was held to appoint an executive for a period of 90 days with election of officers held in Feb. of this year.

The first official business meeting was called to order on Jan. 13. The first priority was deciding and selecting a name for the new chap-

ter. Many ideas were presented by members, and the unanimous choice was "Wawatae," an Eskimo word meaning Northern Lights.

At the Feb. 1988 Dinner Meeting, Election of Officers was held with the following individuals comprising the 1988 Executive:

- Beverly Legault: president
 - Linda Regis: vice-president
 - Lisette Wenzel: Treasurer
 - Carol Waldenberger: Secretary
- To date, there are 18 members

from the communities of Rosspoint, Schreiber, Terrace Bay, Longlac, and Manitowadge. Officials hope to double that number by the end of the year.

The Wawatae chapter will be hosting their official Chartering Ceremonies, installation of officers, and initiation of members on Friday, April 29, at the Royal Canadian Legion Branch 223 in Terrace Bay.

Guests will include pSi Ontario Division President and Vice-president, Thunder Bay Chapter
