Northstars did well in tourney

By Charlotte Miller
Special to the News

The Schreiber North Stars Midgets travelled to Red Lake on the weekend of April 8-10 to participate in the Midget District Playdowns.

Representing the Eastern zone, the Schreiber team played against the Thunder Bay Hornets of the central zone, the Kenora Stars of the Western zone and the host team Red Lake Rangers.

Schreiber made it to the finals against the Hornets, but were defeated 4-1 in a hard-fought battle.

The North Stars are to be commended for their fine display of sportsmanship and hockey skills. They treated the fans to some fast, exciting hockey over the weekend.

The large contingent of fans who travelled from Schreiber were overwhelmed by the hospitality shown to them and the players by the play down committee, as well as the people of Red lake, Balmertown, and Cochenour. It only proves once again that small towns know the true meaning of hospitality.

Although the North Stars were

defeated, there was a prize brought back to Schreiber. After participating in a talent contest, a group of Schreiber singers won first prize.

Their rendition of "Down by the riverside" received a standing ovation and shouts of "encore." The group then sang "Enjoy yourself, It's Later Than You Think," which also was well received. Congratulations Cos and the Cosettes.

And congratulations to the North Stars for their excellent representation of Schreiber in the play-downs, as well as all year. We're proud of you!
