Minor ball registration

The ball season is upon us, and registration forms have been distributed throughout the schools, and are available at the recreation office.

Minor ball is open to both boys and girls aged 5 to 18 years. Different groups involved this year are: T Ball, 5 - 7 years; Juniors, 8-10 years; Intermediates, 11-12 years; Seniors, 13-15 years; Teens, 16-18 years.

Season commences on May 24, so please register before May 13. In order to operate the above leagues, we need the support of volunteer coaches and umpires. Let's hear from you!

Men's Slow Pitch league

Are you a new resident to Terrace Bay and wish to become involved in the Men's Slow Pitch League?

Registration forms and information can be obtained by calling the recreation office at 825-3542.

Use of ballfields

We wish to inform all ball enthusiasts that any use of the ball fields must be made by first contacting the Recreation office at 825-3542.

Leagues are requested to contact the rec office to schedule practice or make-up games.

'Radio-controlled' Car Club

Looking for some adventure? Here it is!! the Recreation Department in terrace Bay is now taking names of individuals interested in starting a radio-controlled Car Club.

This club would be involved in racing, repair, maintenance and demonstration of radio-controlled cars.

If you or your friends are interested in this new and exciting pastime, contact the rec office at the above number, or call Mark Mannisto at 825-3613.

FUN RUN 1988

Just a Reminder!

Keep May 24 from 7.00 to 9.00 pm open for the annual Participation Challenge. Come join us in our walk, bike, hop, skip or even crawl of the one mile pre-designated route.

Schreiber Recreation notes

Summer Programs

The minor ball registrations have been distributed throughout the schools. The forms must be returned to the schools or the recreation office by Friday, May 13. The program will be held from Tuesday, May 24 to Thursday, June 30.

Once the ball program has been completed, the recreation department will attempt to conduct a minor soccer program. During this trial summer, we will operate it as a drop-in type program rather than a structured team competition.

If these minor sport programs are to be successful, coaches, umpires and referees will be needed.

Swim Program

The Recreation department will again be offered at the White Sand Beach. There will be two sessions; the first begins July 4 and the second July 25. The registrations will be distributed throughout the schools in early June. If you have any questions about the swim program, contact the recreation office.

TISA Workshops

Training in Sports Administration Workshops are designed to meet the needs of sports administrators, executive members and sport volunteers. Coaches and officials will also benefit from these workshops. There will be a TISA workshop May 29

and 30 at the Manitouwadge Community Centre. For more information, contact the recreation office.

Ladies SlowPitch

Any ladies 16 years of age or older who are interested in playing slowpitch should contact the recreation office or Cathy Lengyel. Names will be accepted until Friday, May 13. The league will begin June 1.

Canada Day celebrations

Any group or organization wishing to get involved in the celebrations should contact the recreation office as soon as possible. These special events can only be as successful as the local organizations make them. Anyone with ideas for programs or special events should contact the recreation office or any member of the recreation committee.

Canada Day Race

Start training for the Schreiber Canada Day Run. Distance is 5 km, and participants may walk or run.

The race will begin and end near the ballfield in Schreiber. Entry forms will be available in two weeks.

If you would like any information on the above programs, contact the Schreiber Recreation Office at 824-2317.
