

**Clubs encouraged**

# Canada Day plans coming along fine

This year the Canada Day Parade will be held on Friday, July 1 with the theme being "Recreation — Fun for Everyone". Once again, the Shriners will join the parade and "Polkaroo" will be back especially for the children.

On Saturday, July 2 after the Bed Race, a carnival will be held in the Terrace Bay Arena from 12 noon to 4 p.m. The carnival is geared toward entertainment for children and will feature David Bannerstone the Magician, who

will do two separate performances. Mom & Me will have a fish pond and possibly a penny auction. The Agusabon Chamber of Commerce will have a booth as well as Beta Sigma Phi.

The Canada Day Committee is looking for other clubs and groups who would like to set up a booth to sell hot dogs, popcorn, etc. Please give us a call if you are willing to set up a booth or help in any way to make this a fun day for the children. Call Dean Main at 825-3542 or Freda Boucher at 825-9269.

## Support for strikers shown by many

continued from page 1  
tion is not to put hardship on anyone. We just want to have some sort of job security."

He added that support of the local community has been favourable. "We've gotten a lot of support from people in town — from unions and contractors in town."

At a meeting on Thursday night, Jack Lavallet said that Kimberly-Clark will not proceed with plans for an aerated stabilization lagoon, which is designed to lessen the amount of toxic effluent discharge, until Kimberly-Clark "has a secure supply of wood."

"They want the same thing as us," noted Puddester.

# Disability Action Group looking for members

Disability Action Group met on April 21, 1988. The minutes of the last meeting, the treasurer's report and various committee reports were presented.

President Shirley Mikus expressed DAG's disappointment at receiving no reply to letters written to the Chamber of Commerce, the Moose Lodge and the Lions Club requesting permission to send a speaker to one of their meetings.

DAG would like to compliment the Municipalities of Schreiber and Terrace Bay for their efforts in providing yard cleanup for the elderly and disabled. Our compliments also go out to *The News* for the photo in the paper showing the misuse of the handicap parking space. A letter of thanks will be sent to the Recreation Director and Staff for their consideration and help when we hold events in their facilities.

The week of May 29 to June 4, 1988 has been proclaimed National Access Awareness Week and some time was spent discussing ways to encourage our communities to work toward becoming accessible to everyone.

Mr. Roberts' "Man in Society" class has completed an accessibility survey of six Schreiber businesses. The students report they enjoyed doing the survey and learned a lot about problems facing the handicapped and elderly. They hope to do a survey in Terrace Bay before the end of the school year.

DAG will again be giving balloons to children on Parade Day and will ask permission from the Township to set up in front of the Municipal Building. A committee was set up to handle blowing up and distributing the balloons.

The time for our annual member-

Celebrating were (l to r): Jane Gorman, Donaldson, Sharon McParland, Barb Alice Chepelsky, Linda Stewart, Mona Dejonghe. photo by Ed Taylor

## Long-service employees honoured
