Motorcyclist injured after striking guard rails

A Terrace Bay resident is in a Thunder Bay hospital after the motorcycle he was operating went out of control last Saturday and struck guard rails by the Aquasabon River Bridge.

Schreiber OPP say Chris Randa of 509 Lakeview Drive, Terrace Bay, was travelling west on Highway 17 on June 4, 1988 at a high rate of speed when the 1986 Yamaha motorcycle he was driving failed to negotiate the turn.

The motorcycle struck the guard rails and threw Randa approxi-

mately 36 meters in the air.

Randa was transported to McCausland Hospital before being transferred to Thunder Bay via Air Ambulance. Randa has been charged with Careless Driving and with driving a motor vehicle without a proper licence.

There were seven other motor vehicle accidents in the Schreiber area between June 1 and June 7. No injuries were reported in any of the accidents.

One vehicle, however, did incur

approximately \$600 in damages after it was involved in a Hit and Run. The accident was reported in the parking Lot of the Schreiber Bay Store on June 7, 1988. A tan coloured Cutlass was struck on the side by an unknown vehicle between 10.00 am and 1.00 pm.

If you have any information about the unknown vehicle, please contact the police. The OPP number is 824-2333. If there is no answer at this number, call the operator and ask for Zenith 50,000.
