

School is out, and Summer Is Here

These two youngsters, Matt Wright (left) and Kyle Jamus(right) of Schreiber Public School are seen here relaxing in the Terrace Bay Pool. Even though the water was cool it didn't seem to dampen their spirits as they celebrated the end of the school year.

Hang on to your money as long as you can.

Why make a lump sum insurance payment, when you can have the Ideal Monthly Payment Plan - with no carrying charges?

You pay for your insurance premium with 12 monthly instalments, and not a penny in interest.

For example, if your annual premium is \$720, then your monthly payment is \$60.

Makes it easier to budget, easier to afford. Why not give us a call before your next car or home insurance renewal - and get the Ideal Monthly Payment Plan. Because we believe you'd rather keep the money in your pocket than ours.
