

# Helene shares a Canada Day bit and a small bite

By Helene Ballard

Well, this has been quite a week, and I hope all our town folks enjoyed all the events.

### Canada Day bits

On Wednesday, June 29, Blanche Speck and I went to the Legion Hall for the second annual Baby Pageant, where Blanche and I along with members of the Terrace Bay Council were judges. Believe me, it was no easy task to try and pick the winners. All those babies were so cute that it was hard to pick one in any category as a winner.

This event was sponsored by the town council. The girls from Tot Lots organized this event, and they did a wonderful job. On behalf of the residents of Birchwood Terrace, I would like to thank both the council and the young ladies for their work.

On July 1, the Canada Day Parade was held and we are so proud that our "float" won 1st place. Our Activities Director, Sylvie, and her helper Sheri Moon did a fine job of decorating; thank you girls.

While we were having our dinner on that Friday evening, the Fraser Girls Pipe Band came down to our dining room to play for us. They came from Thunder Bay, and we want to extend our thanks to the band members.

Some of our residents went to the Beer Garden at the golf course; I guess they all enjoyed themselves. The only things the folks did not enjoy were those pesky black flies. They could have left town for the day and no one would have missed them.

Saturday was another busy day between the bed race, the sidewalk sale and the Kiddie Carnival. No doubt the wee folks enjoyed themselves. On Sunday afternoon, the Senior card players got together in the Conference Room at the recreation centre.

I understand there was a good turn-out of residents from both Terrace Bay and Schreiber, and all agreed it was a nice way to spend the final afternoon of the Canada Day celebrations.

**Canada Day Bite**  
I hate to do this, but I have a bite

and to try and be diplomatic I'll say "To whom it may concern:"

On the big day of the year — Canada's birthday — with a parade and visitors and three flag poles in the park near the fountain, not a flag was flying; not even a Canadian flag.

To the right of the Canadian flag should have been the Stars and Stripes, and on the pole on the left should have been the flag of Ontario.

I was given a "half-hearted excuse" that one flag had been stolen already. Well that may be, but for at least in broad daylight with a lot of people around, those flags should have been flying. How sad.

And now to end this week with a joke:

A new young bride was cooking her first breakfast for her husband. She was cooking sausages when her husband call out: "How is breakfast coming?" to which she replied: "Not too good. By the time I get the sausages cleaned out, there is not much left!" Until next time, au revoir!

# Four Greenpeace members charged with trespassing

By Greg Huneault  
the News

Four members of Greenpeace were charged with trespassing on private property while they were photographing the Kimberly-Clark effluent stream on the evening of July 4.

Joyce McLean, Great Lakes Campaign Co-ordinator, Renate Kroesa technical advisor, a still photographer and a video photographer said they were photographing and looking at the effluent stream approximately 5 kilometers east of Terrace Bay where it crosses beneath Highway 17.

The group said a Kimberly-Clark security officer, who was allegedly photographing them, asked them if they were aware that they were trespassing. They said they were not aware and walked over to the other side of the highway to resume photographing the effluent stream.

Each of the four were then

served with a summons for trespassing. They paid the fines, but complained there was an absence of "No Trespassing" signs posted.

There are no "No Trespassing" signs along the highway; however, there is a Kimberly-Clark barricaded road off the highway indicating that trespassing is prohibited.

# Winnie's Scribbles

Congratulations to Charlie and Mona Holmes on their 50th Wedding Anniversary.

Rev. and Mrs. E. Hunt were honoured following the morning services on Sunday, June 26. They are leaving the communities of Terrace Bay and Schreiber, where he ministered the congregations of St. Andrew's United Church in Schreiber and the Community Church of Terrace Bay for the past two years.

Mrs. Ruth Hiller and her committee prepared the luncheon, which was attended by a good crowd of well wishers. Mr. Jack Handle, Board chairman of St. Andrew's, presented Rev. and Mrs. Hunt with a picture of Neys Provincial Park.

Mrs. Beth MacAdam, on behalf of the choir, presented Mrs. Hunt with a church plate and souvenir spoon along with the good wishes of the choir. Mrs. Hunt responded most fittingly saying how much she enjoyed their time spent in the area.

We shall miss you both. Muriel Shewfelt of Echo Bay is visiting Marg Nesbitt and relations.

Mr. and Mrs. Carl Pearson and Mr. and Mrs. Kachur and families are visiting Retta Pearson and family. Carl is from St. Thomas, Ontario. Marilyn is from Winnipeg, Man.

Mr. and Mrs. R. Dumais from Kapuskasing are in town to visit Mr. and Mrs. Bill Campbell Jr. and Chris. Mrs. Ed Lavoie and family from Thunder Bay are here to visit Mr. and Mrs. Edgar Leblanc.

Mr. and Mrs. Stanley Illijow from Nipigon are in town to see the Nesbitts, and also attended the Holmes' 50th Wedding Anniversary. Celine Caron from Owen Sound is visiting Marg Tiboni and families. Get well wishes to Mrs. Etta Grey and Mrs. Isobel Borutski. Mrs. Celia Valentino attended the funeral of her brother-in-law Mr. Jaubert in Nipigon.

continued from page 1

approximately \$300,000 for the first year of the operation of the mentioned programs, as well as a \$200,000 investment fund for business loans.

This proposal was submitted to Canada Employment and Immigration of June 29, 1988. The review process by the federal government is expected to take two months; therefore, the committee has decided to close the office during July and August except for one half day per week.

Copies of the proposal are available at local libraries. If you require further information of the proposals, contact the Schreiber/Terrace Bay Community Futures Program at 825-9688.

The committee will publish the results of the application as soon as they are known.
