Birchwood Terrace residents enjoy picnic at campground

By Helene Ballard

It's that time again for a bit of news. Our weather of late sure feels like October instead of August. Oh well, I guess there is not much we can do about it except enjoy the nice days while we have them.

Many of our residents took a bus trip to Polly Lake and enjoyed a day at the Girl Guides' Camp. All the residents had a good time. Our friends from the Chimo Club of

Schreiber were along to add to the fun.

There were "loads" of good things to eat, and some enjoyed a few games of bingo. As usual, all our voices got a work-out singing songs of "yester-year" that brought back many memories.

Our thanks to the Girl Guides of Canada Terrace Bay group. We would also like to thank Trotter Bus Lines for the use of a bus and our very kind driver Pat.

The Ladies of the Birchwood Auxiliary were our kind hostesses and on behalf of the residents of Birchwood, I would like to say a heartfelt thanks to all who helped with the picnic.

Our Labour Day weekend is coming up, so I would like to ask all of you who may be on the highways to drive with care and please remember to use your seatbelts. Have a safe and happy holiday weekend. Now for a wee joke.

A young man in a restaurant asked the waitress what the special was that day, to which she replied "Beef tongue."

"Good grief!" replied the man. "I can't eat anything that comes out of an animal's mouth. Give me a couple of eggs instead."

So long.

How about those potatoes! — The Birchwood gardeners show off a crop of monstrous potatoes that were grown in the back garden. (l-r) Anne Rybak, Clifford Barker and his wife Wallace tended to the garden this summer and provided the residents with many meals of delicious and fresh vegetables.

Although fall harvest will be soon upon gardeners, Clifford says he expects to get a few more snacks of carrots, beets, beans and cabbage from the Birchwood garden.

Barbershop Society will hold singing workshop

The Land O' Lakes District of the Barbershop Society will be conducting a workshop in singing barbershop music at Confederation College on Saturday, Oct. 1, 1988 from 10.00 a.m. to 6.00 p.m.

We are inviting all interested men to attend from the following communities: Terrace Bay Schreiber; Marathon/Manitowadge; Nipigon/Red Rock/Hurkett; Atikoken area and Fort Frances area.

Qualified vocal men from the District and International office will be in attendance. The ability to read music is not a requisite as 'rote' singing will be used in teaching.

Lunch will be served at the College at a nominal cost to all who register by closing date of Sept. 24, 1988.

The workshop will be conducted in the Lecture Theatre (Room 351 at Confederation College). The local contact is Peter Monks at 825-9361, or you may call Fred Bryson of Thunder Bay at 622-9965 for further information.
