Fall Fair

There were approximately 70 tables reserved for the Fall Fair by August 24. There are just a few more days left before the closing date of September 2, so call the rec office and reserve your booth.

May we ask those who have reserved booth space to pay their space fees before September 5 in order to secure their area.

We invite all residents to come in and join us on Sept. 11 from 12 noon to 6.00 p.m. for an exciting afternoon of shopping, organization registration and seeing the different displays of culture, fashion and art.
