

Once in a lifetime offer!

The amazing new Ricoh 6000 Laser Printer: List ~~\$4250~~

No, this is not an obsolete or discontinued model! This is Ricoh's latest PC Laser 6000, a 6 page per minute, 300 dpi, 64 font capability printer with full manufacturer's warranty.

If you've been dreaming about having a top-of-the-line laser printer but couldn't afford one— now's your chance. You'll be one of the few lucky customers who will benefit from this one time volume purchase from our U.S. supplier. This means that you purchase **BELOW** wholesale price in Canada!

Plus you're buying from one of Canada's most trusted names in computer products. At Entre, we back up every product we sell. But don't delay! This offer won't last long.

To place your order, call Jack O'Neill or Dennis Owchar at Entre today!
