MONTEUR QUALIFIÉ/APPRENTI MONTEUR

Ontario Hydro recherche un monteur pour entrée en fonction immédiate à son atelier de Schreiber. Cet atelier sera déménagé à Marathon en 1990.

Ce poste devrait intéresser toute personne, homme ou femme, recherchant une carrière stimulante et prometteuse. Les tâches comprennent l'installation, la réparation et l'entretien des réseaux et des services de distribution d'électricité. Ces tâches se déroulent normalement à l'extérieur lorsque les conditions météorologiques la permettent. Elles exigent de très bonnes aptitudes mécaniques et beaucoup de résistance physique. Les travaux s'exécutent normalement à des hauteurs variant de 3 à 50 mètres. Le monteur doit obtenir un permis de conduire de catégorie A.

La personne doit au moins posséder des crédits de mathématiques et de sciences de 12^e année, ou l'équivalent. Elle doit aussi démontrer une volonté et une aptitude à apprendre le métier de monteur par le biais d'une formation donnée à l'extérieur et à des hauteurs appréciables.

Toute personne intéressée est priée d'écrire ou appeler avant le 5 décembre, pour se procurer une demande d'emploi à:

Ontario Hydro
Attn: Human Resources Dept.
34 N. Cumberland St.
THUNDER BAY, ONTARIO
P7A 4L5

POWERLINE MAINTAINER JOURNEYPerson/APPRENTICE

Ontario Hydro has an immediate need for a Powerline Maintainer at our Schreiber work centre (with relocation to Marathon in 1990).

The line trade vacancy will be of interest to men and women who are looking for a challenging outdoor career with future potential. Duties include the installation, repair and maintenance of electrical distribution systems and services. These duties, usually performed outdoors subject to the prevailing weather at the time, are physically demanding. Line work requires a high degree of mechanical aptitude. The work is usually performed at heights varying from 3 meters to 50 meters. The Powerline Maintainer is required to obtain and maintain a Class "A" driver's license.

Minimum education requirements are Grade XII credits in mathematics and sciences, or equivalent. A willingness and ability to learn while working outdoors at appreciable heights is necessary in considering this training and career opportunity.

If you are interested in this opportunity, please write or phone by December 5, for an application package, to:
