The Corporation of The Township of Terrace Bay

NOTICE

The Township has two vacancies each on the Planning Advisory Committee and the Committee of Adjustment, commencing January, 1989. The positions are open to all adult residents of the municipality and are a good way for persons interested in municipal affairs to become involved in local government.

The Planning Advisory Committee is an advisory committee to Council on matters dealing with the Township's Official Plan and Comprehensive Zoning By-Law. The Committee of Adjustment is an independent body appointed by Council that makes decisions on applications for minor variances from the Comprehensive Zoning By-Law.

Persons interested in serving on either of these committees should contact the undersigned by January 6, 1989.
