

Snowmobilers must follow same laws as car drivers

This is the second of a two part article written by Constable Bert Logan of the Schreiber O.P.P.

Owner's Liability
If someone uses your snowmobile you are jointly and severally liable for damages, and/or injury arising from operation of the vehicle.

You, as the owner, may also be charged for penalties under the Provincial Motor Snow Vehicle Act or municipal by-laws. (example - if your snowmobile is driven during curfew hours 11:00 p.m. - 7:00 a.m. and is identified, you as the owner may be charged).

Land Owner's Liability
Land owners are not responsible for injuries to trespassers *except* if the land owner creates a danger on his/her land in order to cause possible damage or injury to the trespasser.

Trespassing
All persons operating a snowmobile are subject to the Trespass to Property Act. Do not travel over other people's property unless you have permission to do so. Cook's Lake, in the Township of Schreiber is a prohibited area of travel. Persons and/or snowmobiles should not cross this lake.

Speed Limits
You may drive a M.S.V. up to 20 km/h on a roadway where the speed limit for cars is 50 km/h or less, or in any public park. (That means on our streets the limit is 20 km/h). Radar enforcement will be carried out in Schreiber and NO WARNINGS will be given, so PLEASE DRIVE SAFELY.

Snowmobile Accidents
During the 1984-85 season, 18 persons were killed and 396 injured in Ontario. Last weekend, two snowmobilers died in central Ontario when their machine broke through the ice. Some of the lakes in our area are dangerous throughout the year because of streams and currents. Know the lakes and ponds before you go on them.

Impaired Driving Applies for Snowmobilers
If you are convicted of driving your snowmobile while impaired by alcohol or drugs, you are subject to the same laws as if you were driving a car. (Loss of drivers licence for one year, a fine and a Criminal Record).

Report Accidents
Any snowmobile accident on or off the roadway that results in

injury to any person, or damage to property exceeding \$400 must be reported immediately to the police.

Rules of the Road
All traffic laws apply to snowmobiles. (That includes flashing red lights on a school bus, SNOWMOBILES MUST STOP!). Hand signals should be used at the appropriate times and care should be taken when entering intersections. Remember not all drivers notice a snowmobile approaching so drive defensively.

Have a safe snowmobile season!

Survey to address Northern Ontario women's issues

Women in Northwestern Ontario have played an important role in the development of the region and for the most part their contribution has been ignored. In order to better understand and to document the significant contribution that women have made, the Women and Economic Development Committee of the Northwestern Ontario Women's Decade Council will be carrying out a survey to determine and document the socio economic situation of women living in the North.

This research project is funded by the Ministry of Northern Development and Mines and the Ontario Women's Directorate.

The survey hopes to create a file of women's work in the home and in the community. It will identify issues and concerns that women encounter in their daily lives. Local surveyors will be hired to visit the communities to conduct face to face interviews with women residing there.

Watch for these surveyors early in the New Year! For more information please phone Northwestern Ontario Women's Decade Council 3-7556.
