## Gymnastics

We are now in a position to offer a gymnastics program in Schreiber and Terrace Bay. The program will have to be run out of the high school in Terrace Bay due to storage space. We must set this club up as an organization similar to minor hockey, ringette etc... with it's own executive in order to operate. If you are interested in helping out please contact the recreation office in either Schreiber at 824-2317 or Terrace Bay at 825-3542 and leave your name and phone number. We are also taking names for participants. The program will

be open to children ages 3 and up.

## Winter Carnival

The schedule for the Winter Carnival is near completion. If anyone has an idea or wishes to get involved you are asked to contact the recreation co-ordinator. The carnival will be held from February 3rd to 12th, 1989 and many exciting events have been planned.

## NCCP Level I and II Theory Clinics

We need more registrants for these clinics if they are to be held in our community. The Level I

clinic is scheduled for late January (dates to be decided by majority of registrants) and the Level II clinic is scheduled for late February. If you are interested in either of these courses please contact the recreation office as soon as possible.

### A CHRISTMAS MESSAGE FROM THE REEVE

One of the many pleasures associated with being Reeve of this community is the opportunity to extend greetings to all the people of Terrace Bay during this holiday season.

Christmas is a time of coming together, a time when families and friends meet in an atmosphere of happiness and goodwill. It's a time when we should step back a little from the day-to-day pressures and problems which confront all of us during the year, and take time to enjoy the way other people can enrich our lives.

On behalf of my colleagues on Council, I wish you all peace and joy during this season, and for the New Year to come.
