## Opportunity to nominate seniors

The provincial government will again honour individual seniors with Ontario Senior Achievement Awards, Mavis Wilson, Minister for Senior Citizens' Affairs has announced.

"Through these awards, we express our deep appreciation to seniors who continue to use their talents and energies for the benefit of their communities, and for society as a whole," said Wilson.

Individuals as well as community organizations are invited to nominate senior achievers in their area. Nominees must be 65 years of age or older, residents of Ontario, and be contributing significantly to their community during their retirement years.

An impartial selection committee will review the submissions and choose the winners. The awards

will be presented at a special ceremony in June -- the annual celebration of Senior Citizens' Month in Ontario.

"When we celebrate Senior Citizens' Month, we recognize the collective wisdom, experience and service of a growing and vital segment of our population," said Wilson. "I invite everyone who knows of a senior who has made a significant contribution to send in a nomination," she added.

Individuals and organizations wishing to nominate seniors may contact the Office for Senior Citizens' Affairs, 6th Floor, 76 College Street, Queen's Park, Toronto, Ontario, M7A 1N3 or call (416) 965-5106 to obtain a nomination form.
