The Schreiber Library Box Contest winners, pictured above are, Jack Handel who won the oldest box category. He entered a chocolate box tin from 1914 which his father sent to his mother from France. The smallest box category was won by Jessica Hodder who entered a Japanese Paper Origami. The oddest box was won by Julia Lake, who entered a 1938 Birch Bark box. The contest was part of Heritage Week and all boxes entered will remain on display at the Schreiber Library until the end of the month.

Upcoming Courses

The following courses and workshops are being offered or will be offered if enough interest is shown:

NCCP Coaching Certification Program -

Theory Level I - April 14, 15, 16

Theory Level II - April 21, 22, 23, 28, 29, 30.

Soccer Coaching and Referee Clinics will be organized if an interest is shown. To register or for more information on any of these programs contact the recreation office.

Programs

The recreation department

would like to offer a Minor Soccer and Minor Baseball program. We however must have coaches and referees if we are to offer these types of programs. Anyone interested in coaching, officiating or helping out in any way is asked to contact the reaction office at 824-2317.

Gymnastics

The gymnastics program has tentatively been scheduled to begin the week of April 24th. Before the program begins we will be holding a public meeting to discuss the organization of the club, setting up of times and the various age groups. We will be conducting this public meeting as

soon as we have obtained the available hours for the gymnasium. Watch future issues of the Rec News for the date of the meeting. Anyone interested in seeing this program started should contact the recreation coordinator at 824-2317.

Arena - Hall Bookings

With the winter season coming to a close the recreation department must schedule some major work to the arena and community hall that will require closing these facilities to the public.

In order to schedule this work without conflicting with a number of anticipated community events, the recreation department would appreciate receiving all banquet and wind-up requests from local groups as soon as possible. If you do not get your request in quickly you may find that the facility is not available for your event. The recreation department would appreciate the co-operation of all groups in this matter.

Aerobics

The recreation department can no longer offer an Aerobics program. We have no qualified instructor. If anyone is interested in becoming an aerobics instructor please contact the recreation office.

A group of interested persons are renting the hall on Tuesday and Thursday evenings for an informal exercise class. Anyone wishing to attend may do so. Classes will begin Tuesday March 21st. For more information contact the recreation office at 824-2317.
