

The Easter Bunny

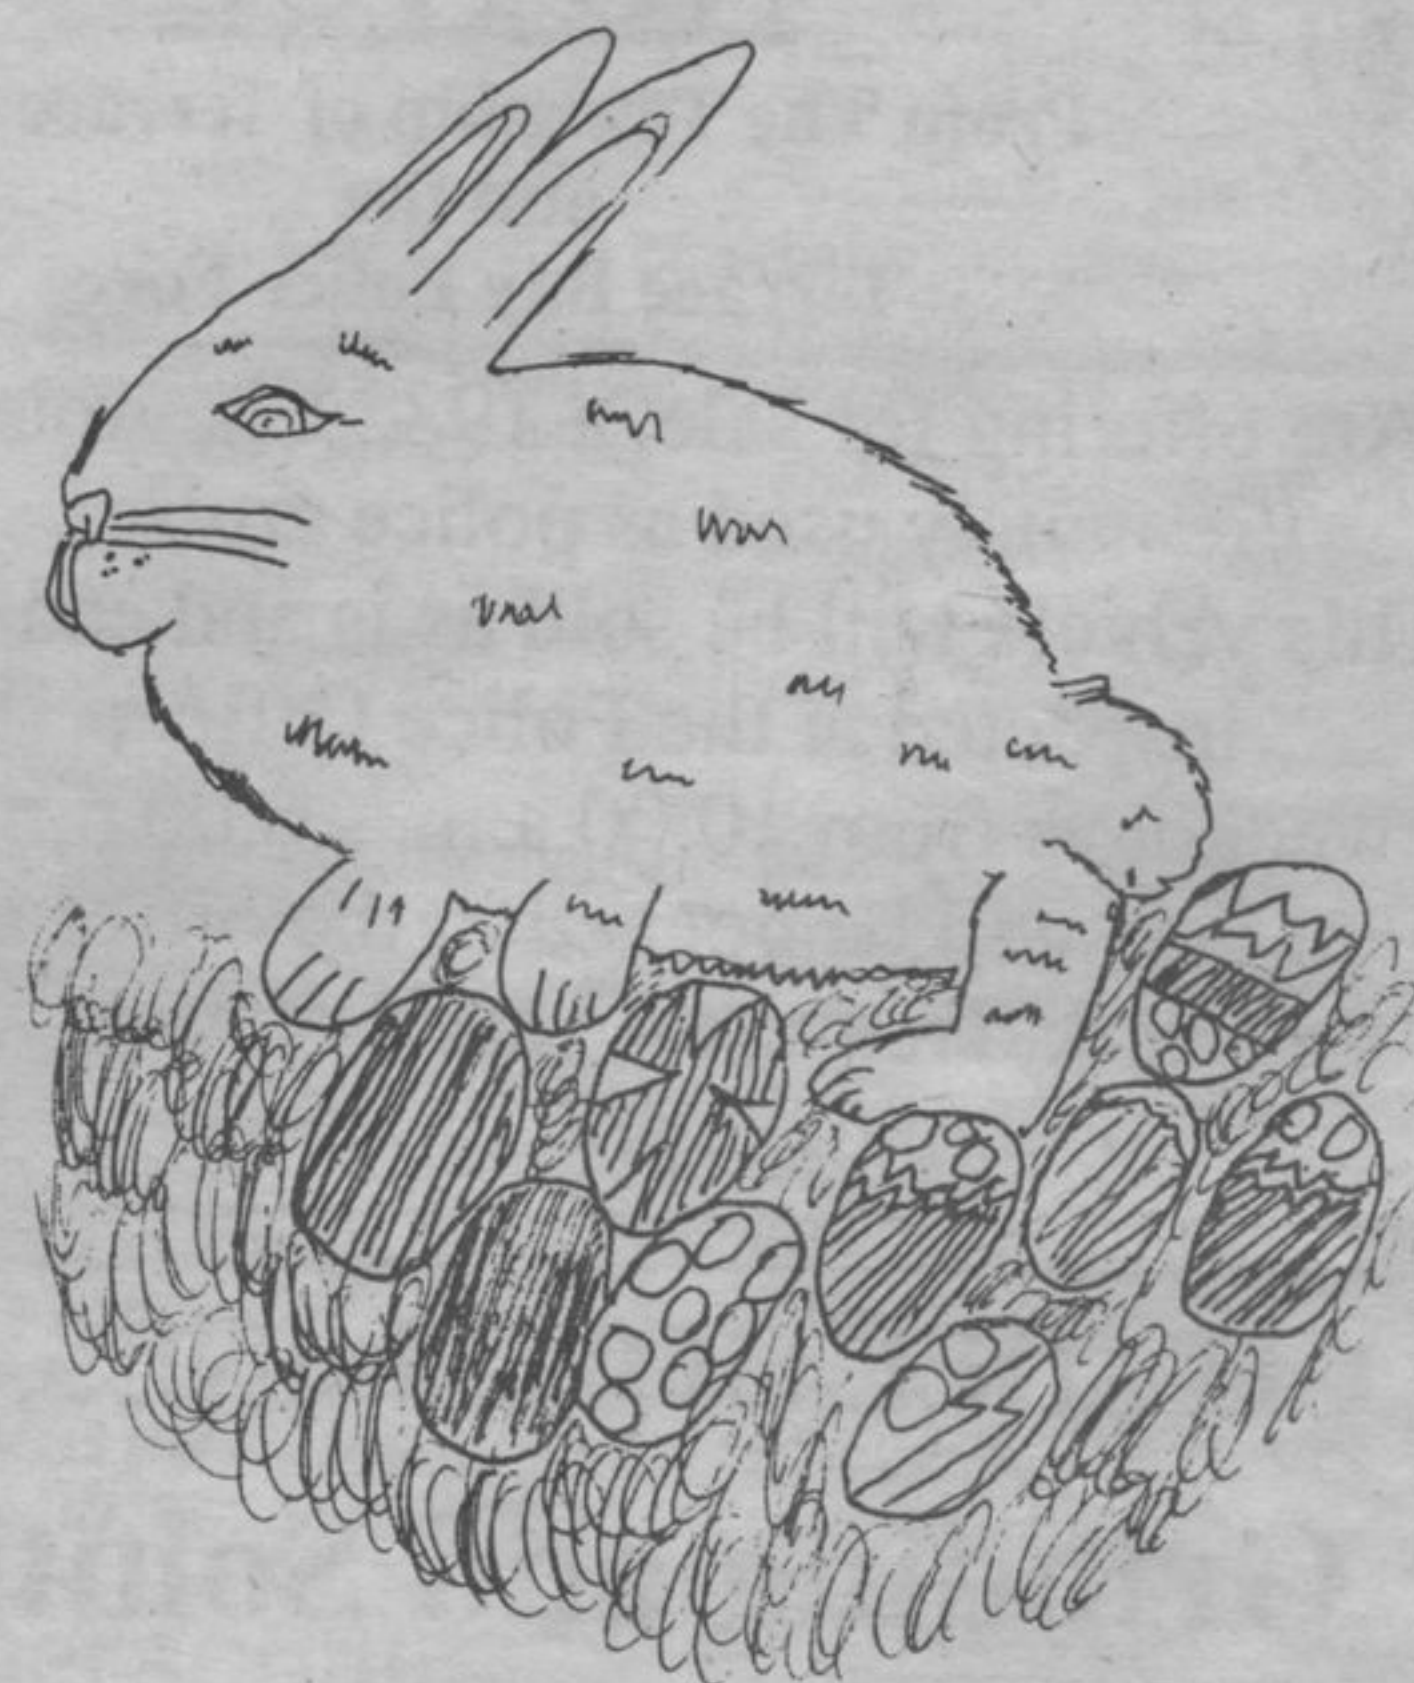

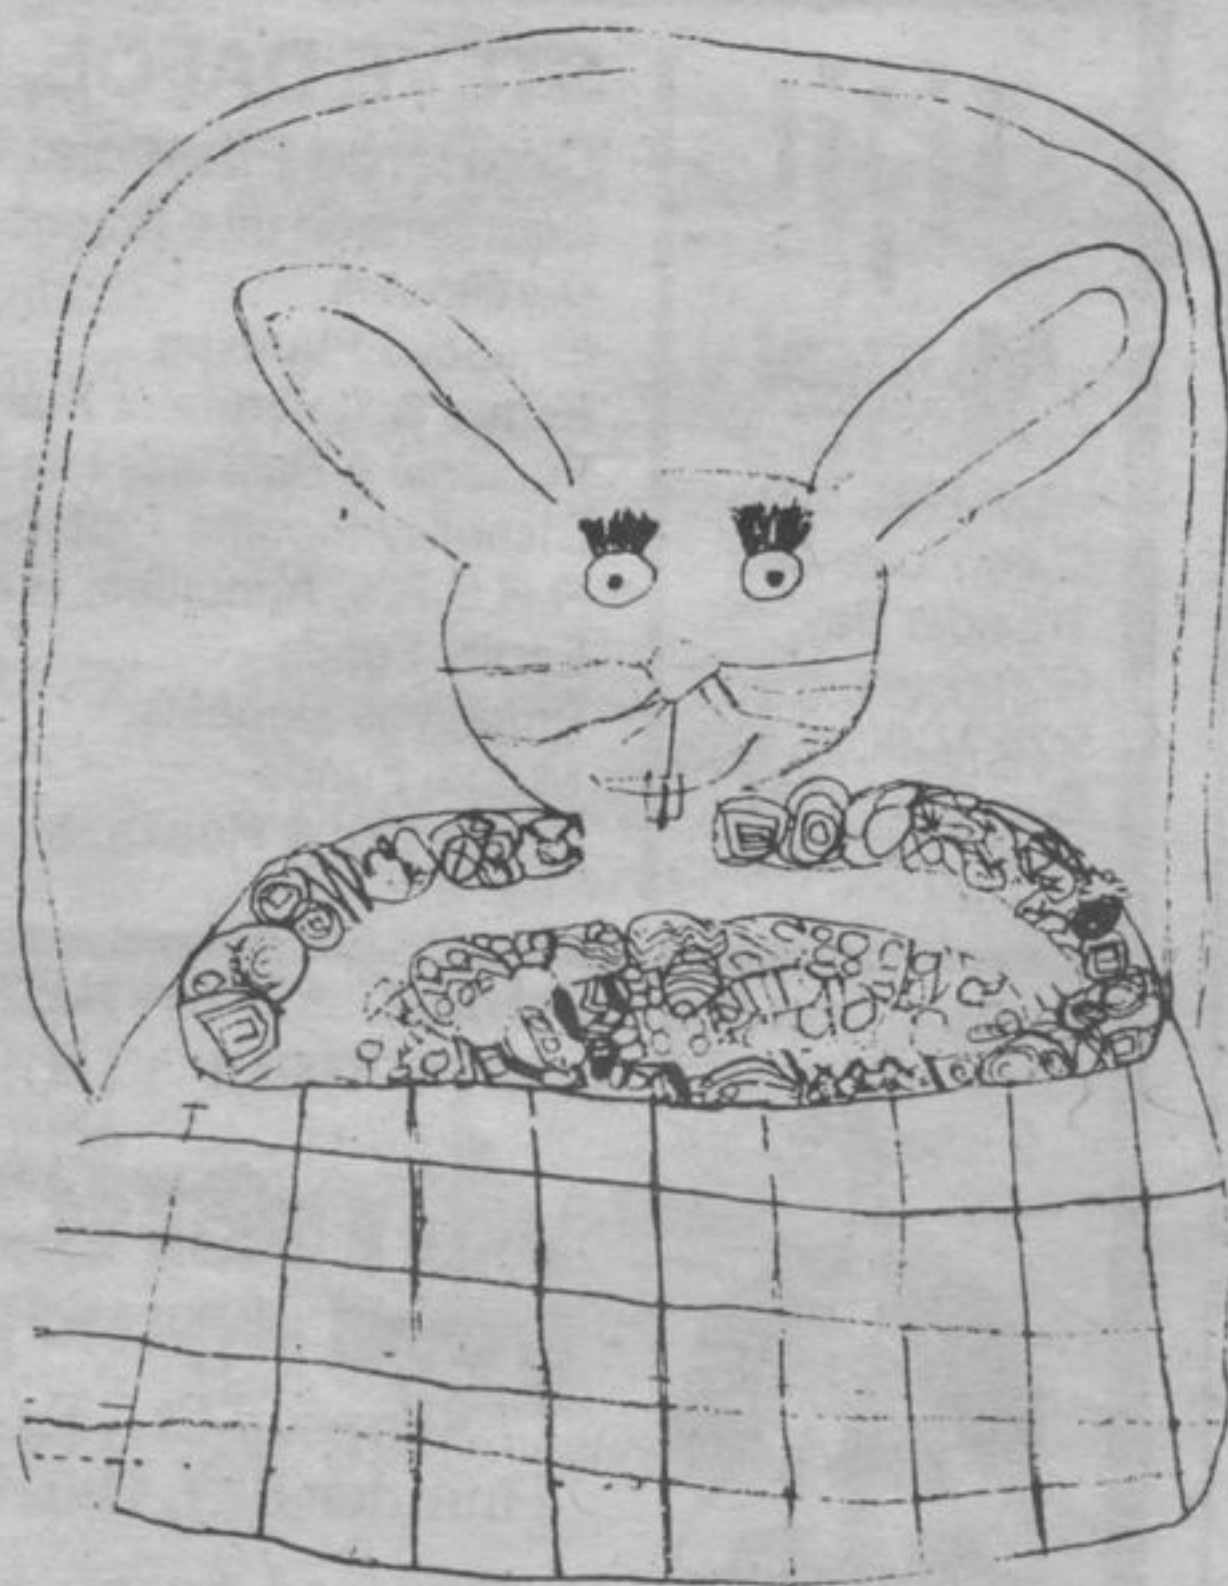

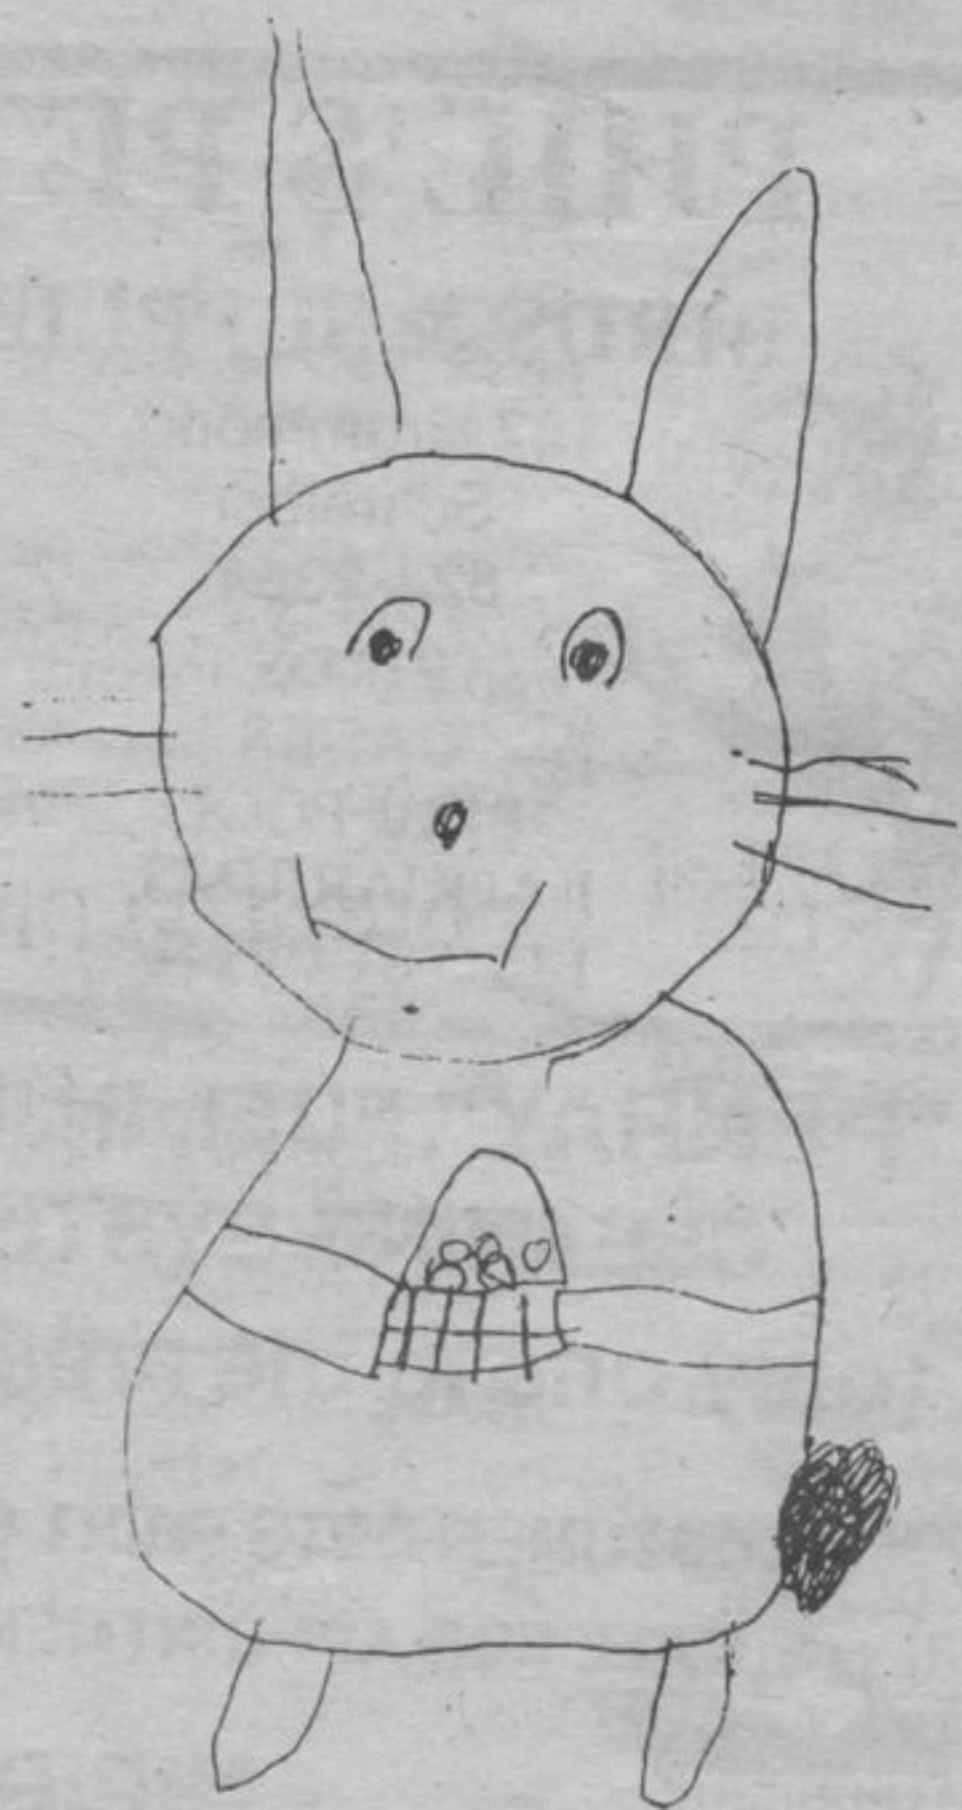

The children of our communities drew pictures of what they think the Easter Bunny looks like.

We received many entries and had a difficult time choosing a winner.

All of the entries are winners to us and our sponsors.

We decided to choose the three most outstanding entries and thanks to the many sponsors listed below, they will each receive a prize of \$17.00 instead of one \$50.00 prize winner.

Thank you to the many children who entered their pictures and thank you to the many sponsors who supported this event.
