

Schreiber council

By Dave Chmara

The April 11 Schreiber council meeting began with Sergeant Andy Templar of the Schreiber OPP giving a break-down of the police forces activities for the month of March.

A total of 60 occurrences took place. Two assault complaints were registered, both of which were unfounded.

Four break and enter complaints were registered, one of which was unfounded, and two have been cleared (led to charges).

There were six minor theft (under \$1,000) occurrences. One was unfounded, two have been cleared and in one instance no charge was laid.

Two cases of mischief of under \$1,000 took place, one of which has been cleared. One possession of a narcotic and three liquor violation charges were laid.

Two hit and run violations have both been cleared and a total of 68 Highway Traffic Act charges were laid.

Councillor Lorraine Huard attended the Northwestern Ontario Municipal Recreation Association Zone Conference

which was held in Terrace Bay April 8 and 9. She said, "things don't look good in the recreation community world. Provincial officials seem to think the Wintario Program is slowly coming to an end."

Recreation people who attended the conference believe community councils should band together and lobby the government to voice their concern over this situation.

Huard said many people attending the conference feel their may be possible misuse of Wintario funds, or that these funds may be going to programs other than recreation.

Once the snow clears up, Schreiber council will take a closer look at the proposed sites for the cemetery. Council has yet to decide the length of time the new cemetery will be in operation for (i.e. 15, 25, 50 or 100 years).

All the committee budgets are completed except for the Recreation Committee budget which is virtually completed. Council will be meeting to go over its budget Thursday, April 20.

Now that Schreiber roads are clear of snow, the next step will

be to tackle the problem of water pooling at various locations.

Council decided to enter into a Housing Project Study which will be performed by Conlin Engineering and Planning Ltd. Total cost for the study will be \$7,500.

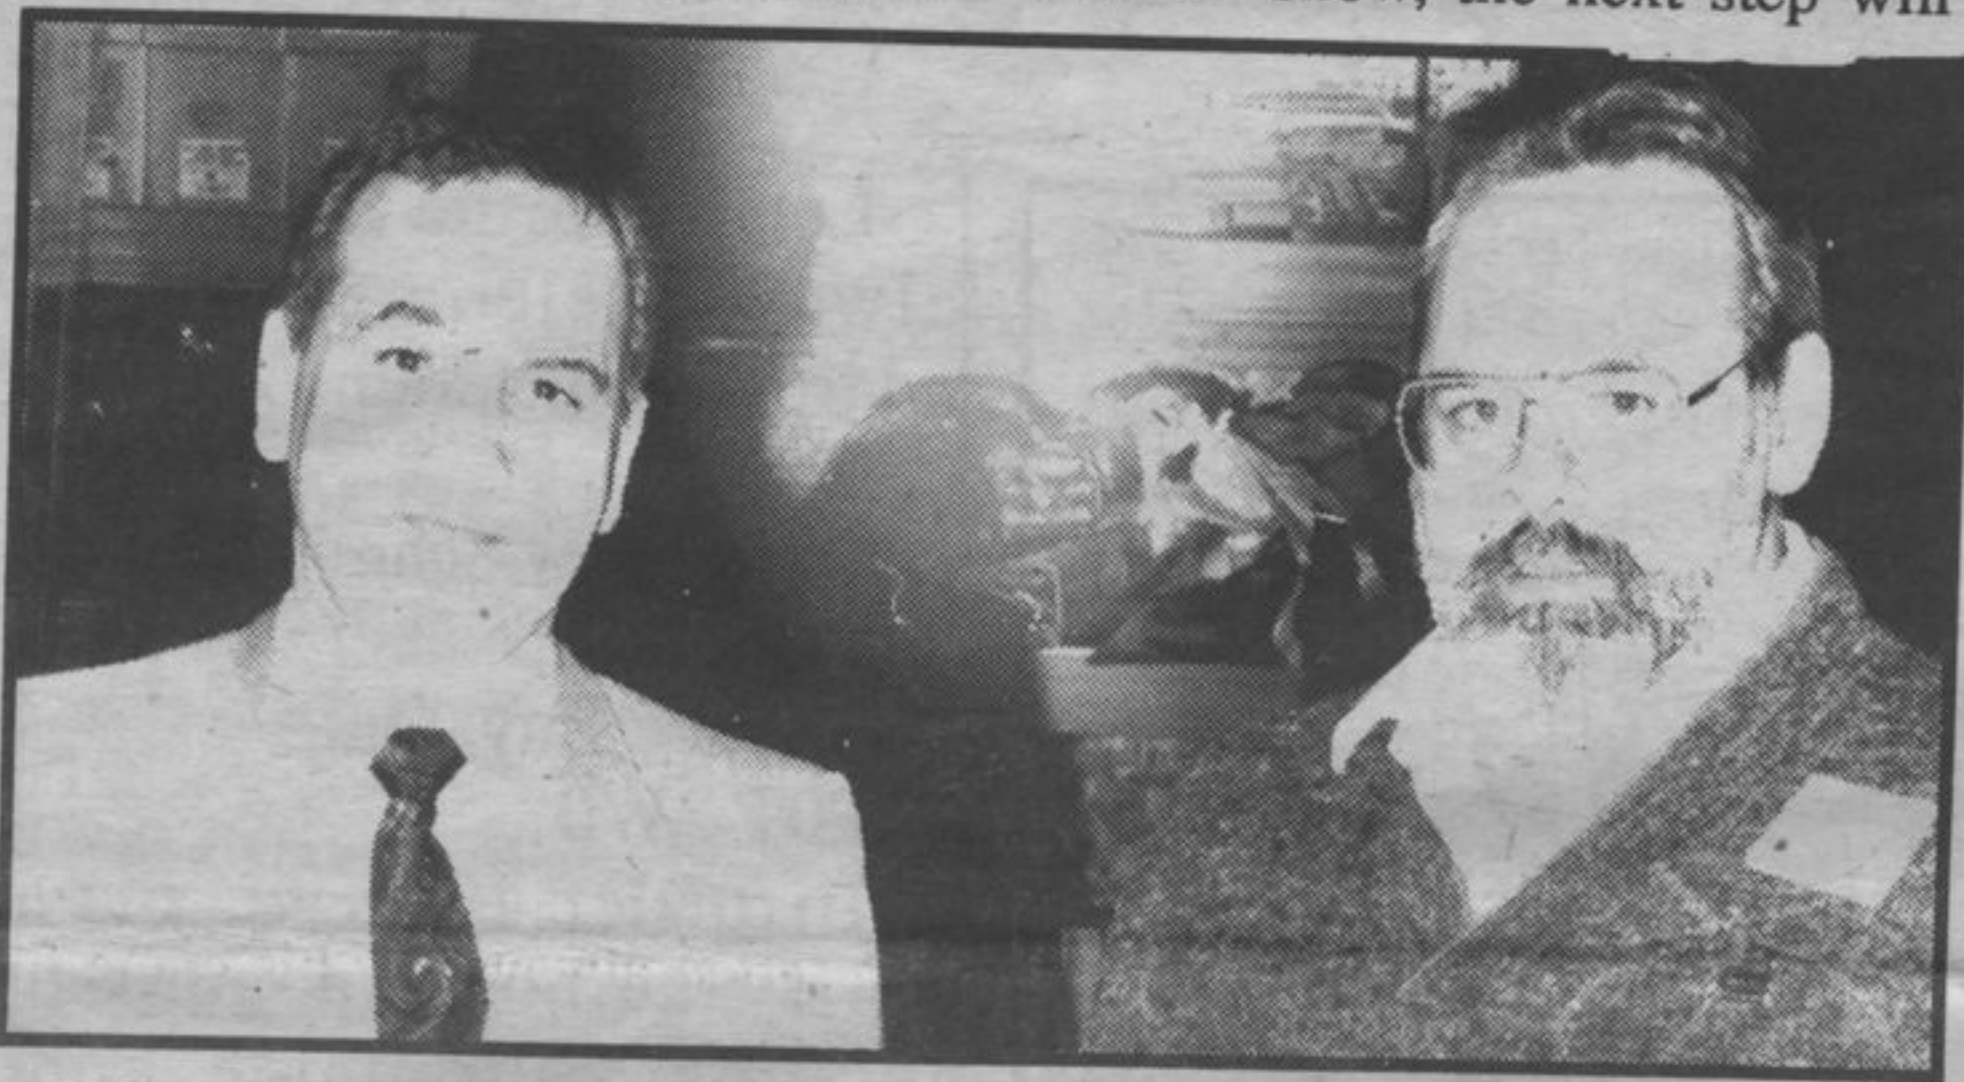

The township of Schreiber has a credit with Conlin of about \$1,500. A grant of \$5,000 is available to the town for the study so the actual cost to Schreiber will be about \$1,000.

NOTICE

To whom it may concern:

Take notice that after this date, I will not be responsible for any debts incurred in my name by any other person without my written authority.

Terrace Bay, Ontario

Mike Gould, left, is shown here standing next to Ken Randle, president of the Aguasabon Chamber of Commerce during the Chamber's first After Business. Over 20 local business people showed up at Bisco - A Division of Thunder Bay Northland Machinery. The Chamber is currently organizing a Trade Show scheduled for mid-September and is also running a logo contest. The contest is open to all residents in the Chamber area. To enter, simply design a logo for the Aguasabon Chamber of Commerce. It should be reducible to a 1 inch square and must be original. Maximum colors is two. Submissions can be made to Ken Randle at the Print Shop in Terrace Bay by May 1, 1989. Entry forms are available from any business that's a member of the Chamber.
