# Motorcyclists face danger

Motorcyclists take to the road in record numbers each spring, and all too often, an enjoyable activity turns to tragedy.

In 1987-88, on highways patrolled by the Ontario Provincial Police, 112 motorcyclists and passengers were killed.

The most common contributing factor in fatal motorcycle accidents is loss of control at high speed, which accounted for 52 per cent of the deaths in 1987-88.

Other major causes of fatal accidents are alcohol consumption and failure to yield.

"Basically, motorcycle operators face the same as car drivers, except they are driving a two-wheel vehicle as opposed to a four-wheel one. With this type of vehicle, there is less margin for error," said S/Sgt. Bob Lyon, Ontario Provincial Police traffic and marine section.

Motorcyclists are often

involved in accidents because they are not seen by other drivers. Motorcycle headlights must be on at all times, even during the day, and bright reflective clothing should be worn.

"On a motorcycle, even if you're in the right, you lose. You're much more vulnerable than a car driver or passenger. Motorcyclists should keep this fact in mind, and drive defensively," said S/Sgt. Lyon.

# Marked tools stolen

Yet another business falls prey to thieves. Overnight on December 5 last year (1988), culprits broke into Yarzab Brothers Construction workshop along Highway 11 - 17, 10 miles west of Thunder Bay.

A pad lock was removed to gain entry into the garage and once inside a large barrel of gear oil was dumped over. Two tool boxes were also knocked over spilling their contents onto the floor.

The thieves removed one entire red "Beach" tool box full of

mechanics' tools. The owner had marked each tool with an engraving pen for identification purposes. Other tool boxes were sorted through and a selection of tools taken. Total value of the stolen property is over \$5,000.

Two particular items that may have since come to your attention are a green Pioneer chainsaw and a red welding mask with writing under the chin.

Most items can be identified by police and have been added to the police computer. Better security has been added to the business.

Crime Stoppers will pay up to \$1,000 this week for information

that leads to the arrest of the person (s) responsible for this crime.

Call Crime Stoppers, Toll Free, at 1-800-465-6844, if you have any information regarding this crime.

"You do not have to give your name." Crime Stoppers also pays cash for information on any unsolved crimes.

The Crime Stopper reward fund is raised through tax deductible donations from citizens and businesses. Cheques may be sent to Thunder Bay Crime Stoppers Inc., 425 E. Donald Street, Thunder Bay, Ontario P7E 5V1. Your donation will go towards Crime Stoppers in your area.

## FORESTER JOURNEYPerson/APPRENTICE

### MARATHON

Ontario Hydro has an immediate need for Forester Journeypersons/Apprentices. Initial training for this four year apprenticeship will take place at our Thunder Bay work centre. You will complete your final two years of the program upon relocation of the work centre to Marathon in 1991. Minimum requirements are Grade 12 secondary school diploma with credits in mathematics, science and english.

Your duties will include the felling and pruning of trees and the application of herbicides to control brush and unwanted vegetation. Hand and chain saws, pruning equipment and sprayers are the normal tools of the trade. Climbing will be involved, however, some clearing may be done from a hydraulically operated aerial device. You will be required to qualify for a Class "A" driver's licence, and must be able to obtain a Land Class 01 and 03 exterminator licence. Since the work is performed outdoors, you will be exposed to hot and cold temperatures and to dust and pollens.

To be considered you must send an outline of your skills and qualifications, a resume and a copy of your Grade 12 transcript of marks by **June 1** quoting file no. 19-M-521 to:

Ontario Hydro  
 Human Resources Department  
 34 N. Cumberland St.  
 Thunder Bay, Ontario  
 P7A 4L5

ONTARIO HYDRO IS AN EQUAL OPPORTUNITY EMPLOYER

## TRAVAILLEUR FORESTIER QUALIFIÉ/APPRENTI FORESTIER

### MARATHON

Ontario Hydro est à la recherche de travailleurs forestiers qualifiés/apprentis forestiers, hommes ou femmes. Cet apprentissage de quatre ans débutera à notre centre de travail de Thunder Bay. Les deux dernières années seront effectuées à Marathon, lieu de la formation à compter de 1991. La scolarité minimale requise est une 12<sup>e</sup> année avec cours de mathématiques, sciences et anglais.

Les fonctions du travailleur forestier incluent l'abattage et l'élagage des arbres, et l'utilisation de phytocides pour le contrôle de la végétation. Ses outils sont les scies à chaîne et à main, l'équipement d'élagage et les vaporisateurs. Le travailleur forestier doit être capable de monter aux arbres, cependant, certains travaux sont effectués à partir d'une nacelle hydraulique. Les personnes choisies devront obtenir un permis de conduire de catégorie "A" ainsi qu'un permis de catégorie 01 et 03 pour la manipulation des phytocides. Ses fonctions étant accomplies en plein air, le travailleur forestier est exposé à toutes les températures, ainsi qu'au pollen et aux poussières.

Pour poser votre candidature, vous devez faire parvenir votre curriculum vitae, un aperçu de vos compétences et de vos qualifications et un exemplaire de vos relevés de notes de douzième année d'ici le **1<sup>er</sup> juin 1989** à:

Ontario Hydro  
 Services Ressources Humaines  
 34, rue Cumberland nord  
 Thunder Bay (Ontario)  
 P7A 4L5

Veillez indiquer la référence 19-M-521.
