Coaches are special people - dedicated to helping athletes to develop their full potential, to improve their skills and to achieve accomplishments of which they can be proud.

Together the Federal and Provincial governments, amateur sport associations and corporate sponsors will celebrate 1989 as the Year of the Coach - to give recognition to coaches for an unselfish commitment to their community.

The Year of the Coach is a series of special celebrations, community events and programs in honour of coaching accomplishments.

The Year of the Coach is ours to share - an opportunity for Canadians to congratulate coaches at all levels.

Join these Celebrations and show your appreciation!
