My dad is the best because he does lots of things for us. He takes us snowmachining in the winter and in the summer he takes us to the beach he even gets us toys he lets us have pop he buys us games and he got us pets and he is the best daddy I ever had.

by Donna Borutski

Why My dad is the Best

My dad is exceptional from most others because he has seven children to think of. Although we are all grown up and ready to conquer the world on our own, my dad still is there for all of our needs. In the past, he was the best skate tier, toboggan puller, swimming instructor and hairdresser. How he is the best giver of knowledge, advice, and moral support. My dad gives gifts of kindness, compassion, love, and understanding to me, but the one gift that is most of precious of all, is those three little words that he lovingly says, "Daddy little girl." My dad's name is Ed, better known as "World's Greatest Dad!"

by Jake Schmiedchen

My dad is the best Dad in the world because he is funny and likes to do fun things. He likes my friends. He jokes with us and doesn't mind us hanging around the yard all the time. When he's not working he takes me to all my hockey practices and games and sometimes he let's me bring extra

kids who need a ride. He doesn't even mind when we play our tapes loud. My Dad let's me drive his skidoo all the way to camp and he goes sliding and ice fishing with us. My Dad invited me

to fly to camp with him and my cousin. My Dad always says no matter how bad I am or what I do he'll always love me and be my Dad. I just know he's the best Dad around.
