

# How to find a lost pet

By Alice Scott

It's evening and your pet is not home, what can you do? If it's a dog, he shouldn't be loose in the first place, unless it was an accident.

If it's a cat, they usually can find their way home, unless they are hurt or there is a snow storm and it has affected their sense of direction.

When you discover your pet is gone there are many things that

you can do.

First, check your own area, look under the porches in your yard and the neighbor's yards. If it's a cat check under car hoods and in wheel wells, these are favorite hiding places of cats that are frightened or lost.

Leave scented articles in an ever widening circle in a one mile area, this will help your dog get a perspective of his home area.

Call police - it's surprising

how many people report finding dogs to the police.

Call your local dog catcher or town hall to see if anyone has reported finding a lost pet.

Call public works offices, they may be able to tell you if a dog or cat has been killed on the roads.

Call you local radio station. Call local schools and ask if they can announce over the PA system the missing dog's description.

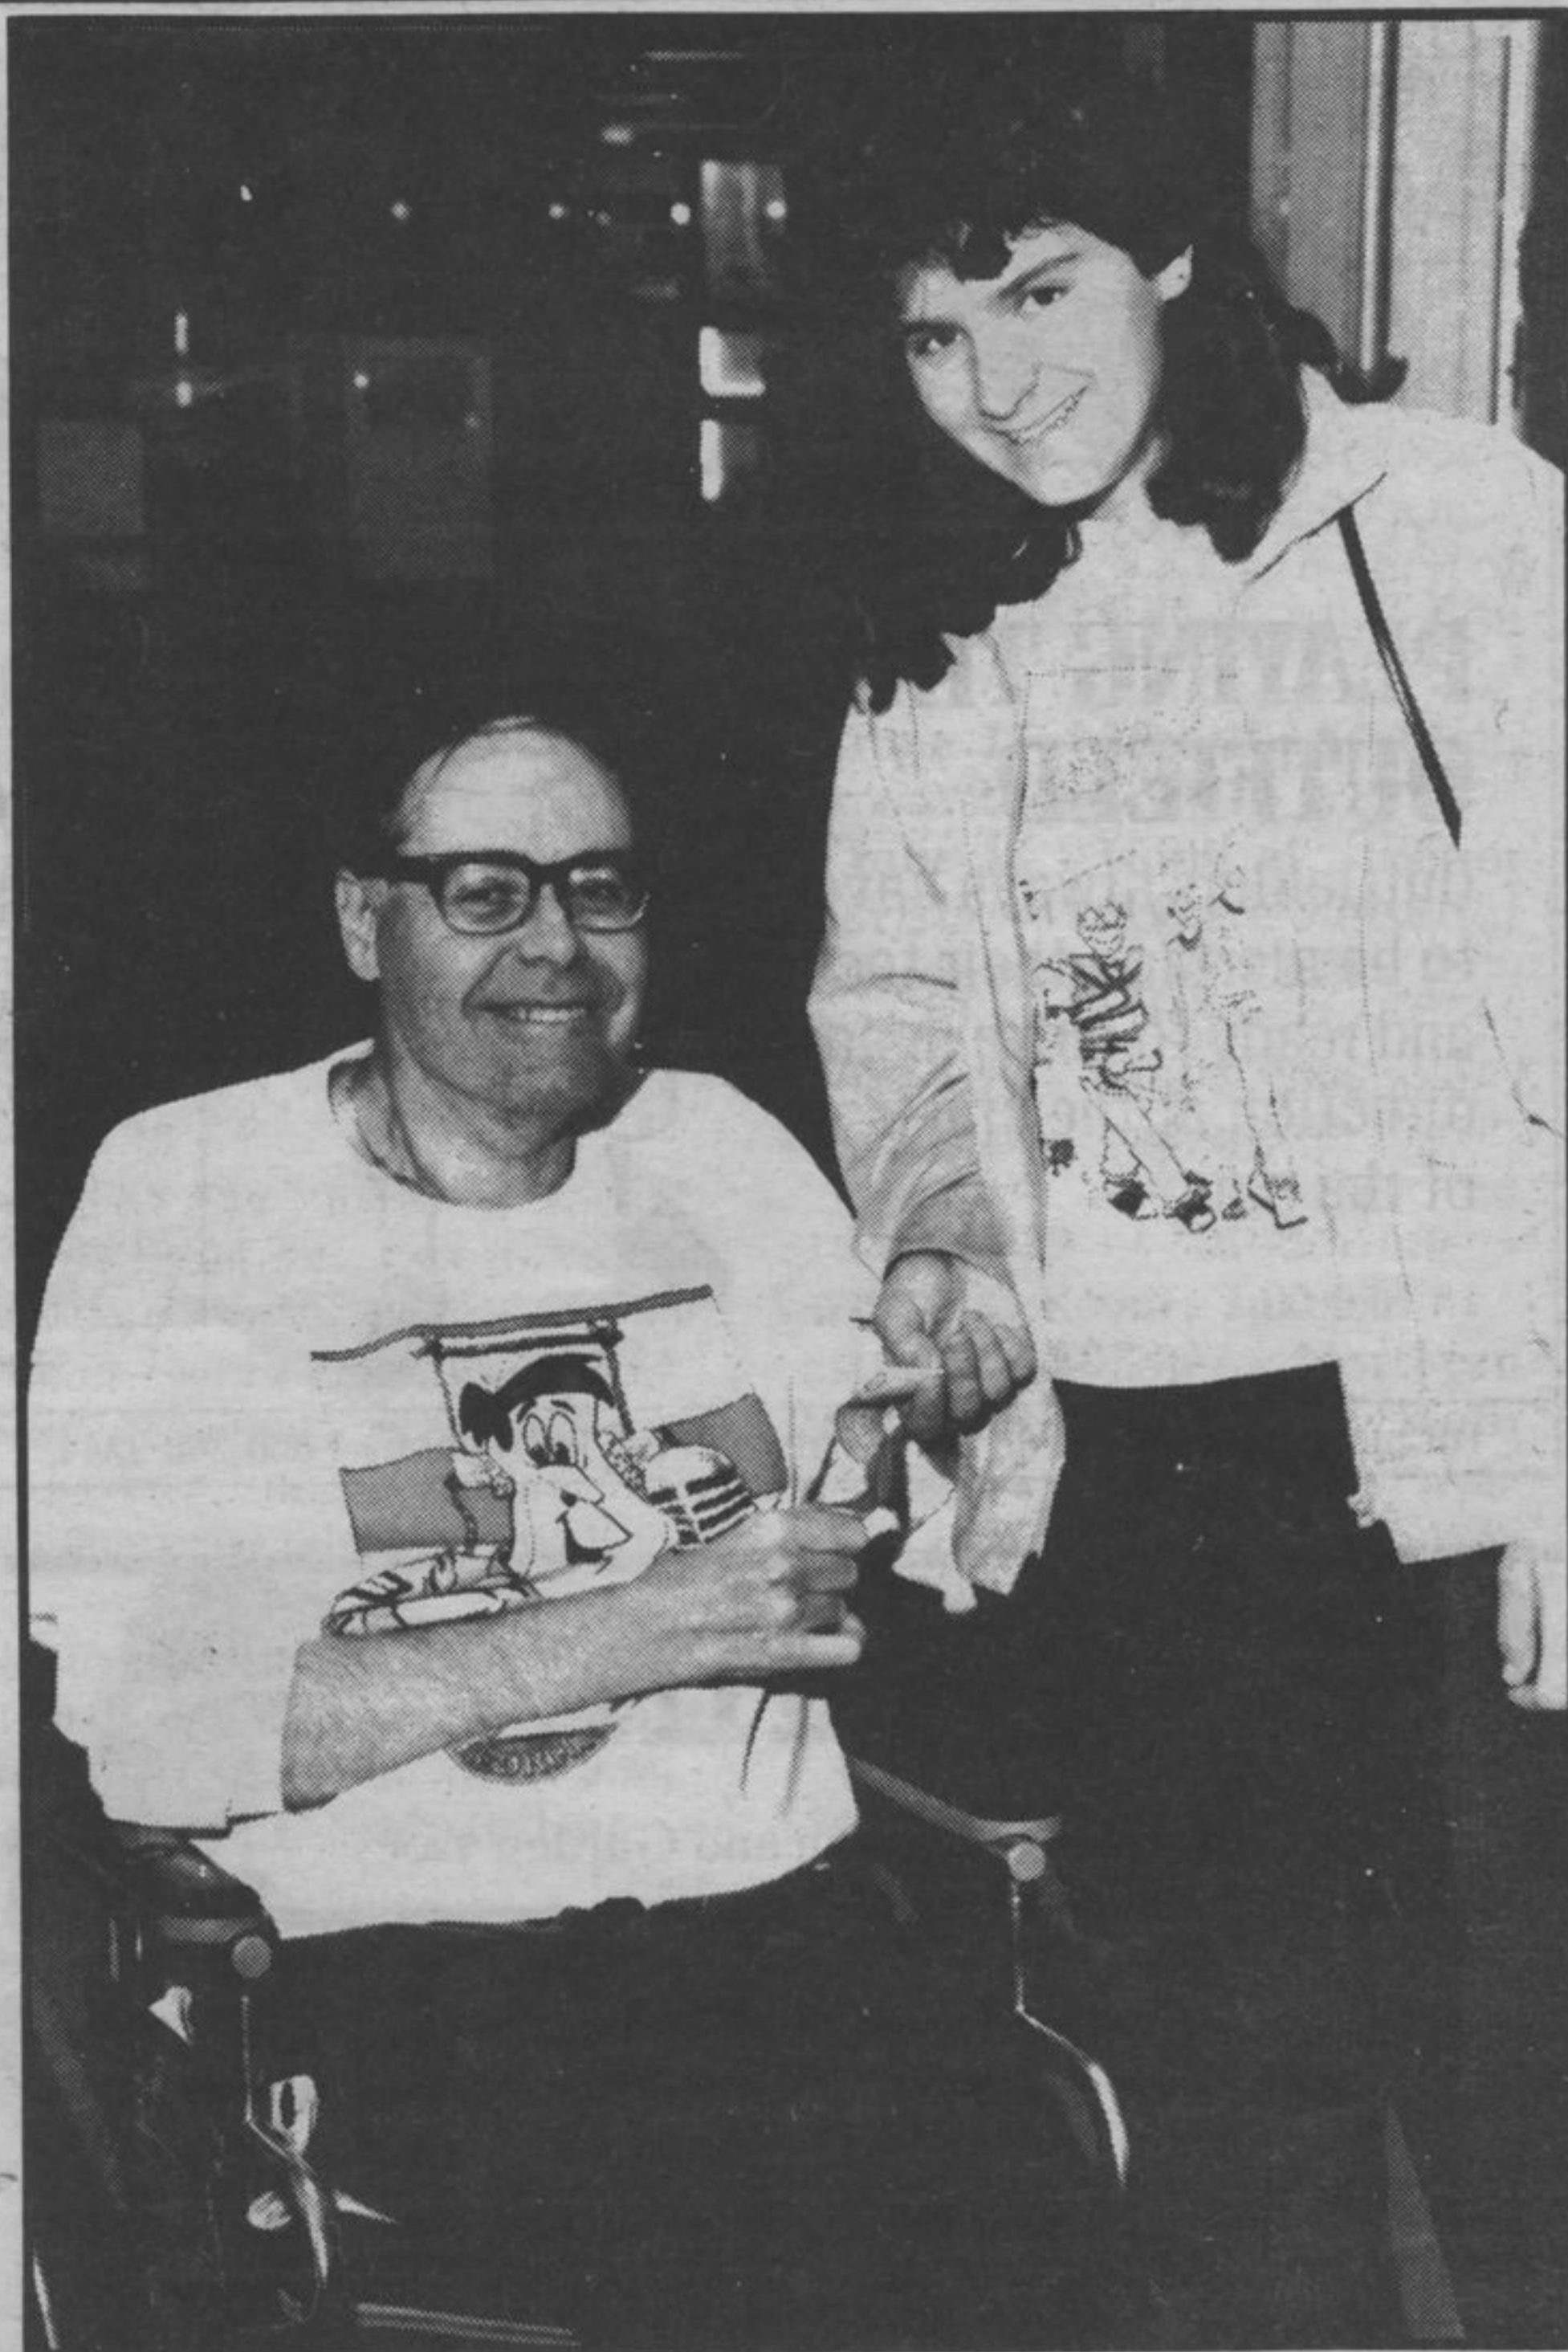

If it's a purebred dog, contact the Canadian Kennel Club in Toronto, they now keep missing/found dog files. Have your dog's tattoo number available to give with the dog's description.

Put up posters at Post Offices, grocery stores, movie theaters and other public places.

Place an ad in local papers, and call all local veterinarians to report the missing pet.

Call Humane Societies and any other animal rescue associations in your area and surrounding localities.

Most importantly, do everything you can to prevent your pet from being lost.

The Disability Action Group held its third annual meeting on Thursday, May 18, 1989 in the main lobby of the hospital. Miss Lisa Merkley presented Mr. Rod Thompson the 2nd Vice, with a cash donation in the amount of \$50.00, which Miss Merkley had earned by working with her Pathfinders group.

President Shirley Mikus, introduced the guest speaker, Miss Jan Mah, the new community Development Worker. Miss Mah lead the group in a review of their objectives and helped the group set the priorities for the year ahead.

The committees gave their reports, it seems that it was a good year. The group held its election: President - Shirley Mikus; Vice - Pat Auger; 2nd Vice - Rod Thompson; Corresponding Sec't - Elaine Mannisto; Recording Sec't - Elizabeth McLean; Treasurer - Pam Jones. Photo by Dave Chmara

## Ski trip

Continued from page 1.

"I'm a little sad I didn't achieve my personal goal but I'm happy we did achieve the fundraising goal and it was a success from that aspect," said Teniuk.

The fundraising was to raise money for the Muscular Dystrophy Association all along the North Shore.

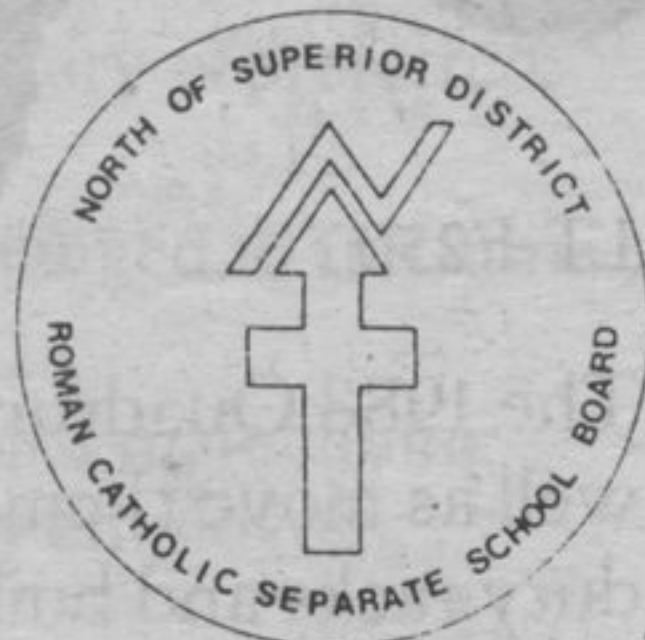

Teniuk said the pledges and donations haven't been added up yet but that they should have a total in a few weeks.

He noted that the trip was video-taped and said, "we're hoping to air it on channel 13 once it has been edited."

He mentioned the total distance from Copper Harbour to Terrace Bay is 155 km and not 177 km as the Coast Guard had told them.

In all, Teniuk skied a total of 78.4 km. He said the organizers will get together in the next few weeks to determine if the attempt will be made again.

"It won't be tried again this year though," he said.
