Registrations for this year's Swim Program have been distributed through the schools. Lessons will once again be held at White Sand Beach. There is, however, a question on the registration form asking for the pub-

lic's input on where they would like to see the lessons next year.

We ask that even if you are not registering anyone this year that you answer the question and return it to the recreation office so we can get a handle on what the public wants.

The first session will begin July 10 and run through July 28. The second session will commence July 31 and run to August 18. Deadline for registrations is June 30 for Session 1 and July 21 for Session 2. Please note that there will be an administration fee of \$5 for late registrations.
