Swim Program

Registrations for this year's Swim Program have been distributed through the schools. Lessons will once again be held at White Sand Beach. There is, however, a question on the registration form asking for the public's input on where they would like to see the lessons next year.

We ask that even if you are not registering anyone this year that you answer the question and return it to the recreation office so we can get a handle on what the public wants.

The first session will begin July 10 and run through July 28. The second session will commence July 31 and run to August 18. A late administration fee will be charged to all late registrants. Deadline for the second session is July 21st.

Sailing

Look out - Here comes one of the most exciting summer programs available to children 7 to 13 years of age - and it's FREE.

The Ontario Sailing Association will be conducting a

2 day introductory Sailing and Racing Program to children at White Sand Beach on July 18 and 19 and it's FREE! As an added attraction there will be a Regatta held at the end of the program with the winners being eligible to attend a Provincial Championship for beginners in Southern Ontario. Funding will be available to help the winners attend the Provincial Regatta.

No equipment is necessary so pick up your registrations at the recreation office now as there is limited space available for this program.

Summer Fun

Come on out and have some fun! Summer Playground has just begun. The playground leaders Cindy Luke, Cathy Birch and Brenda Webb have planned a fun-filled and exciting summer for all. Munchkins ages 3 to 6 years 9:00 a.m. to 12:00 noon and Munsters ages 7 to 12 years 12:30 to 3:30 p.m.

The playground will take place from July 4th to August 11th at the Schreiber Public School

Gymnasium, Monday to Friday. Register here anytime. Also, the Annual Fun Day will be held in Marathon on July 19th. This is a successful day where children can participate in many different events, interact with other children and most of all have fun. For more information drop in and see you up at the Schreiber Public School anytime. Hope to see you there!

Being a perfect volunteer leader

How do you recognize the perfect volunteer? What does it take to be a great leader?

If you're Bart Mindszenty, vice-president with the Beloff Group, you develop a quality checklist based (more or less accurately) on the acronyms.

According to the Mindszenty system of definitions, a "perfect" V-O-L-U-N-T-E-E-R meets the following criteria:

- V - values the organization
- O - organizes well (the job, responsibility, assignment)
- L - likes his/her role
- U - understands the needs of the organization and his/her responsibilities
- N - never a pushover
- T - trusts the organization and its leadership
- E - experiments
- E - enlists - supports, volunteers
- R - reviews (ie, can pause and reflect on the objectives, that fit with the organization, successes and failures).

The "P-E-R-F-I-C-T" leader, on the other hand, has a role in setting an example for volunteers (even if perfect spelling is not one of them):

- P - Purpose: a good leader gives purpose to the organization and is clear and consistent in communicating goals and the group's mission.
- E - Example: a good leader is a role model, spreads rather than hoards responsibility, is accountable and helps others learn.
- R - Rewards: a good leader shares the glory and recognizes the contribution of others.
- F - Focus: a good leader articulates why he or she is there in a way that others understand.
- I - Inspiration: a good leader must be willing to roll up their shirt sleeves and dig into even the dirtiest job; in so doing, encourages people to reach deeper and further inside themselves and attain the impossible.
- C - Consistent: a good leader behaves as a leader should behave, and doesn't send mixed messages to those around them.
- T - Tough: a good leader has to be a "tough-loving" manager who expects volunteers to perform as if they were paid for the work they do.
