

# Catholic Women's League

The regular monthly meeting of St. Martin of Tours C.W.L. was held on Monday, June 12.

The meeting opened with the League Prayer being offered for a safe and peaceful summer. Marilyn read the minutes of the previous meeting followed by the treasurer's report by Diane.

Marg Roberts gave her report on the installation of Officers on April 26 followed by dinner at the Imperial Restaurant.

Edna reported on First Communion Sunday with the children receiving rosaries. The Crowning of Mary took place with Marilyn doing the honors.

Holy Spirit Pins were given to each candidate who made their Confirmation at Mass on May 28.

Marg thanked all members who participated at Masses on May 6 and 7, being C.W.L. Month.

Lillian Belliveau attended the Convention in Thunder Bay for the Senior Citizens Homes for the Aged May 25.

The Provincial Convention is being held in Timmins on July 10 to 13. Lil will attend with possibly one other delegate.

The living rosary took place at 1:30 p.m. on Tuesday, May 29

with 50 students, C.W.L. members, Father Campbell and members of the congregation participating and once again this was a beautiful event.

Peggy gave her report for the month of May and also reported tickets are now on sale for the cedar chest of linens to be drawn at the Bazaar in October.

Dolores for Resolutions urged members to recycle and to keep up the fight against Sunday shopping.

Kathleen gave her report on the Convention. The pre-convention workshop on Tuesday afternoon was a presentation on "Care and Abuse of the Elderly" given by John Cosgrove, Director of the Catholic Family Development Centre, and his wife Geri, Director of the Social Work Department at St. Joseph's Hospital and reported 10 per cent of the elderly are mistreated.

The C.W.L. is the backbone of the Parish and we are urged to keep a good image, there are 71,000 members in Ontario. St. Agnes Parish, Thunder Bay, will host the 1990 convention.

Father Ken Pottic thanked everyone for their support of The Holy Childhood.

The Mother's Day Tea held on May 13 was again a great success.

The Grade 8 graduates were presented with Bibles by Kathleen on Monday, June 26.

On July 1, a "Float" was shared with the Knights of Columbus. Dolores looked after this.

Evelyn reported everything is going along well for the Fall Bazaar to be held Oct. 21 this year.

Father Campbell announced there is going to be a "Parish Mission" from October 28 till November 2, and also reminded members of the new mass schedule for the summer months: Saturday 7 p.m., Sunday 9 a.m. and 10:30 a.m. at Birchwood Terrace.

At the close of the meeting Suzanne served a delicious lunch.

# Retrievers make best guide dogs

By Alice Scott

A friend of mine, who happens to also breed Labradors, once said that the most emotional and gratifying time in her life was watching a dog from her kennel become a graduate seeing eye dog.

Receiving a "Best in Show" at a conformation show couldn't even come close.

These dogs are temperament tested at seven weeks of age and then placed in a foster home for one year.

Like the independence dogs, the foster parents must train and love these pups and then give them up.

It then takes 12 weeks to train each guide dog. There is still no guarantee that the dog will pass all tests required for a seeing eye dog.

These dogs are asked to negotiate through congested traffic, cover railway tracks, ascend escalators, descend in elevators, go through revolving doors and avoid obstacles.

Labrador retrievers and Golden retrievers are the most popular breed now used.

The "Lions Club of Canada" have been strong supporters of the Guide Dog facilities in the U.S. and Canada since the start of Guide Dogs.

They have helped many blind

people gain independence by supplying them with guide dogs.

Each year the "Labrador Owners Club" hold a dog walk-a-thon across Canada to raise money for our guide dog training facilities in Canada.

If you are ever asked to contribute to these facilities [please give generously. These dogs are their master's eyes.
