Summer Playground

The playground staff has planned a summer filled with fun for your children. The first two weeks are Arts & Crafts days, so parents get ready for their masterpieces coming home again.

Coming up soon will be a trip out of town. The staff will be sending information notes home very soon.

The Staff will always keep the children and parents up-to-date on what's happening.

Approximately 126 children are enrolled in our program this summer. The playground staff would like to take this opportunity to thank all those who participated in the Canada Day events, throughout the July 1st weekend. Our baby pageant was very successful, with many little ones out in entertaining style.

To all those who attended the Kiddie Carnival and Fun Day at

the Baseball Field, thanks for making our programs a success.

We hope that your children will have a great summer in our program at the Recreation Centre.

B.O.O.M. Program

This program is scheduled for July 17 and 18. All those that have registered are asked to drop into the Recreation Office to fill out their Registration Forms. To date, this program, which will teach the participant the art of sailing is filled, however, names for a waiting list will be accepted.

Board Sailing

A Board sailing workshop was held on July 5th at White Sand Lake, and from all reports the participants enjoyed it immensely.

Converting your cat

By Alice Scott

Love and patience is the key to converting an outdoor cat to an indoor cat.

Having a cat indoors definitely prevents disease and injury. It is also easier to keep the cat clean and free from parasites and fleas.

Once you have decided to convert your cat there is now turning back. The animal must be kept indoors at all times.

Your cat will become very vocal and complain to you, but you must be firm.

First, take a small amount of dirt to mix with the cat litter until the cat gets used to the litter. Confine the cat to a room with the litter box at night.

Buy or make a scratching post with a hanging toy on it.

Buy catnip toys to keep the cat amused.

Play with your cat and give him lots of affection. When he gets upset, pick him up and just cuddle.

Ping-pong balls or plastic golf balls in an empty cardboard tissue

box is a great toy.

If your pet is extremely distressed and you would like him to have some outside time, buy a harness and leash and "walk the cat".

Never leave a cat outside unsupervised on a harness and rope or leash; cats are not like dogs and will jump to higher areas. They also can tangle themselves around trees and other objects.

Schreiber's Rubber Boot Tournament was held Canada Day Weekend with 13 local teams and one team from Thunder Bay participating. Heinz 57 were the winners over the Bad News Brewers (from Thunder Bay) in the A event. In the B event the Hooters defeated the Misfits and the B-52s beat out the Silver Bullets in the C event. The Misfits won the best costume contest. Photo by Dave Chmara
