"We became friends. The country you were from or your religion didn't matter," said Pollard.

Both he and Trach agreed they would highly recommend the trip and anyone wanting further information can contact either Trach or Pollard.

Local libraries take part in Literacy Day - Sept. 8

September 8 is Literacy Day worldwide. This year is a special one because 1990 has been declared International Literacy Year.

Our literacy program is involved in several projects to celebrate this special year.

You may remember the article in this paper in May describing the International Literacy Conference held at Lakehead University. We met with the delegation from Bunkpurugu, Ghana to compare and contrast literacy programs in their area and

Northwestern Ontario.

As a result of that meeting, a literacy co-ordinator from Northwestern Ontario will be going to Ghana this winter to observe their program. He will be doing presentations around our region in 1990 to celebrate International Literacy Year.

Our public libraries are also involved in the celebration. On Friday afternoon, September 8 from 1:00 p.m. to 4:00 p.m., both libraries will have special presentations and displays on the subject of reading to your children.

We'll have books about what to read to your kids, displays of

toys and games to encourage reading and many other things helpful to parents who want to help their children become readers.

Literacy begins at home and we want to encourage family literacy. We will also, for International Literacy Year, be giving a book to each new baby born in Terrace Bay and Schreiber and we'll include information for parents about reading to children.

Help give your children a head start! Read to them. Visit your library on Friday afternoon for International Literacy Day.

Wedding Announcement

Mr. & Mrs. Wayne Richards were married on April 29, 1989 at Our Lady of Visitation Catholic Church in Gloucester. Thanks to everyone from Terrace Bay who helped us share our special day.

In Memoriam

O'Connor - In loving memory of a dear husband, father and grandfather; Rod (Roddy). Who left us September 1st, 1986.

*Your last parting wish
We would like to have heard,
And breathed in your ear
Our last parting word.
Only those who have lost
Are able to tell
The pain in the heart
At not saying farewell.*

**Always & forever, love
Dolores and family**
