Sabres slug way to win

The weekend of Sept. 9 and 10 saw the completion of the Schreiber Men's Slow Pitch League with a double elimination tournament.

The first game Saturday morning had the league champion I-Team take on the 6th place Devils with the I-Team coming out on top 18-6.

The next game had the 2nd place Sabres play the 5th place Expos and with last year's humiliating defeat and elimination by the Diggers (30-11) still on their minds the Sabres came to the park this year with a purpose, to get revenge and respect.

After six innings were played and the mercy rule applied the Sabres were victorious by the score of 19-4.

The 3rd game of the tournament saw the 3rd place Diggers play the 4th place Sluggers and the winner of this to play the

Sabres Saturday afternoon. The Sabres hoping to meet the Diggers for a chance at revenge but things were not to be as the Sluggers outslugged the Diggers 20-10. The Devils then met the Expos with the Expos knocking out the Devils from the tournament 18-6.

The last game Saturday had the Sabres and Sluggers meet with the Sabres needing only six innings to defeat the Sluggers 31-5.

Sunday morning saw the Diggers and Sluggers meet again with Diggers coming out on top 13-2.

The next game had the 1st place I-Team do battle with the 2nd place Sabres and when the dust had settled the Sabres had chiseled out a victory 14-13.

Sunday at noon saw the Diggers defeat the Expos 18-14 with the Diggers moving on to

meet their opponents in last year's championship final the I-Team.

The I-Team as in last year's game defeated the Diggers 9-6.

Now it was time for the championship game between the Sabres and the I-Team. As in their first meeting Sunday morning, they didn't disappoint any of their fans in a well played hard fought contest with the Sabres being the new playoff champs 17-10.

Congratulations to the Sabres in winning the playoffs and to the I-Team, Diggers, Sluggers, Expos and Devils for their participation in the playoffs.

The Schreiber Men's Slow-Pitch League would like to thank all the umpires and score keepers for their services throughout the season and playoffs.

To you the fans, we graciously thank you for your support.

See you all next season.

Bowling more than a walk down the lane

By Shelley Long

Hi everyone! Our bowling season hasn't started yet but it will commence on September 18. We will be holding our ladies league on Monday nights, our men will bowl on Tuesday night and our mixed night will now be on Wednesday nights.

The Terrace Bay Bowling Association would like to invite anyone who may wish to try a season of bowling to do it today.

All leagues are always looking for new teams, individual bowlers and spares. Call these chairpeople if you are interested in bowling. Ladies League: Debbie Papineau 5-9413; Mens League; Tom Long 5-9161; or Mixed League; Linda Falzetta 5-3533.

These chairpeople will also answer any questions you may have about bowling so feel free to call them.

Each league accepts as many

teams as the Chairperson feels the lanes can accommodate. They cannot accept any new teams after September 15 so call today.

Whether your a new team or a returning one you must register ahead so that schedules can be made up.

Bowling is fun for adults and children. Book a bowling party for children or for a fun day with work mates.

McCausland Hospital Award

Canadian Council on Hospital Accreditation Awards Highest Honors to The McCausland Hospital

On July 07, 1989, The McCausland Hospital was surveyed by Dr. B. Snell of the Canadian Council on Hospital Accreditation. As a result of this survey, the Hospital was awarded the highest level of achievement for the second consecutive three-year term.

This award signifies that all aspects of patient care and management systems within the Hospital surpass the standards set for all hospitals across Canada.

This three-year status has been achieved through the combined effort of the Governing Body, medical staff, management professionals, and support staff, with voluntary assistance from residents of the catchment area.
