

Ringette is set

The 1989/90 ringette season is tentatively slated to begin on Tuesday, Oct. 17. To date, 32 girls have signed up, including some newcomers.

As in the past few years, there will be four divisions: a combination Bunny and Novice group for 6 to 9 year olds; a Petite division for 10 and 11 year olds; 12 and 13 year old Tweens; and a Belles group, likely comprised of both Juniors (14 and 15) and Belles (16 and 17) who will play similar combination teams from other towns.

Sherry Jowitt is returning as head coach of the Petite team; Lynn Black will once again lead the Tween team; and Terry Edmonds will be back to coach the Junior/Belle team.

We are currently on the lookout for a volunteer to coach the Bunny/Novice team with the assistance of last year's coach, Linda Falzetta.

Registration night will be held in the Recreation Centre, in conjunction with the Hockey/Figure/Ringette Skate and Equipment Exchange, on Wednesday evening, Oct 4.

The fee remains the same as in the past two years: \$40 per player, or \$60 per family. If a player has not been registered with us before, we require her OHIP number and a photocopy of her birth certificate. Parents of returning players are asked to bring their daughter's birth certificate with them to registration, in case our photocopy has been misplaced.

For those readers who are considering registering their daughter(s) for the first time - and we hope many of you are doing just that, especially those with Bunny or Novice age children - a few words about ringette.

Ringette was first played in North Bay 26 years ago and is akin to the floor hockey game that's played in gymnasiums with a leather-covered felt ring and a straight stick.

Ringette uses a flexible, hollow rubber ring, and the sticks are specially tapered to make it possible to "raise" the ring when making a shot. The sticks are colored white (used by the "centre"), blue (used by "forwards") and red (used by the defense), and are so-colored to aid referees in controlling the game.

ling the game.

Centres may skate the entire ice surface, and so play both offense and defense. Forwards may not play in their own end; and defense may not play in the other team's end. Thus the number of players in an end can never number more than three defending players and the goalie, and three offensive players.

This, coupled with the rule that the ring must be passed from one player to another over each blue line (unlike hockey, where the puck must cross first) results in a team style of play, in which the most valuable players are those who can set up plays and pass effectively. Breakaways are every bit as exciting as in hockey - just ask a ringette parent!

Body contact is not a part of the game, but the girls are required to wear protective equipment just the same, including shin and knee pads, a girdle (with pelvic protector), elbow pads, a neck guard, and a CSA approved helmet and face shield. Lightweight, "soft" shoulder pads are optional ("hard", hockey-style pads are not allowed in Terrace Bay Ringette).

As you have likely surmised, the emphasis in ringette is on team play and "sportsgalship". Terrace Bay teams have been recognized for that aspect of their play many times in the past.

We annually participate in weekend tournaments in Schreiber, Longlac, Geraldton and Thunder Bay, and enter tournaments in Marathon, Nakina and White River as the opportunities arise. The players are bused to all but the Thunder Bay, Schreiber and Marathon tournaments; parents handle the transportation for the latter three.

Bay is more remembered for

the team dips in motel hot tubs, and runs down the waterslide, than anything else!

Our tournaments in Terrace Bay this season are tentatively scheduled for Jan. 12, 13, 14, 1990 (Tweens and Belles) and Feb. 23, 24, 25, 1990 (Novice and Petites).

If we've piqued your interest but you cannot make the Oct. 4 registration, please pick up a blank registration form (one for each player) at the Recreation Office and mail it, along with your cheque for \$40 (or \$60), to Mrs. Debbie Helminck, Terrace Bay Ringette Association, Terrace Bay.

If you're re-registering your daughter(s), please follow the same procedure.

If you have an interest in coaching or refereeing, or helping out on the executive, give me a call at 5-9495 in the evenings and on weekends.
