

# Ladies Auxiliary looking to improve patient care

Marg Gandcr, president, welcomed many new members to the September meeting of the McCausland Hospital Auxiliary, saying with new ideas and support, much could be accomplished again this season in contributing to patient care.

Business included secretarial and financial reports. Convenor Norma Crockford reported fourteen babies born between the June and September meetings, each receiving a pair of booties. Norma could use any left-over baby wool for this project. Thank you notes were read.

Elaine Mannisto will chair the Fall Executive Conference of Hospital Auxiliary Association in Thunder Bay on October 23. President Marg will also attend and Heather DeCal. Members will bake muffins to send with Elaine and Marg.

With the departure of several key workers the Gift Shop is in

dire need of volunteers. Brenda Cottrell and Elise Kenny will fill vacancies on the Gift Shop Purchasing Committee.

Lifeline has arrived and presently stored in the ambulance garage. A cabinet is being built to house the monitor at the nursing station. The Ambulance Manager and assistant will coordinate the project.

Marg thanked everyone who had contributed crafts and muffins to the Fall Fair, giving a very favorable report.

Organizers for the Auxiliary membership drive this fall will be Anne Miller in Schreiber, Pauline Kidder in Terrace Bay and Maureen Tychoniak in Rosport.

Pat Callaghan will convene the afghan raffle. Estelle Wallwin was thanked for making tray favors for Labor Day. A farewell gift was presented by Vicky Boucher to Estelle in appreciation for all her work for the auxiliary.

Members were requested to consider Christmas themes for the Hospital and also tray favors, bringing their ideas to the next meeting. The president asked also they consider what could be done as an auxiliary for patient care.

Mrs. Miller will bring her Senior Kindergarten children to the Hospital for Halloween this year. Several members volunteered to drive the school class.

Details of the Annual Convention of Hospital Association in Toronto, October 29 to November 2 were outlined. The Board will send one representative from the auxiliary. Sheila Cassie will be the representative this year.

There is to be a Craft Sale by local ladies in the Recreation Centre November 19 and the Auxiliary agreed to have a Bake Table during their sale. A room in the Recreation Centre had also been booked to sell Christmas

cookies December 9. This will replace the usual Christmas Bazaar.

The October meeting will be held in the McCausland Hospital

on the 16 at 7:00 p.m. Ladies of the area are cordially invited to join in the workings of the Hospital Auxiliary. It is extremely rewarding.
