From correspondence to classes, DAG is at it

D.A.G. members were welcomed to the October meeting Thursday evening by President Shirley Mikus.

Correspondence included an invitation to attend the opening of the March of Dimes offices in Long Lac and a thank you from Beta Sigma Phi for the presentation on Lifeline.

Members were very encouraged to hear a letter from Mr. K. D. Ryan, Business administrator of the North of Superior District Roman Catholic Separate School Board, who informed them the new addition to the Holy Angels School in Schreiber will have an elevator from the ground level.

The misunderstanding concerning motorized wheelchairs on the new pathway through Terrace Bay had been explained at the last council meeting. Electric wheelchairs and scooters are definitely allowed on this walk.

The E.M.O. list had been updated by Home Care Nurses and the Chimo Club in Schreiber. It is now in the hands of Red Cross Homemakers for completion.

Many members had been available to attend a special meeting with Beryl Potter of the Ontario Action Awareness Association. This remarkable lady proved how tremendously vital a person could be despite the most severe handicaps suffered.

Mrs. Potter discussed her goal of alerting the public to the special needs of the disabled. She strongly advised never to sit back and accept your fate, but to fight to better your lot and that of others in similar situations.

With her vast experience she gave good advice on how to be recognized and acknowledged. Mrs. Potter had also talked at

both high schools displaying her travelling and talkative companion, "Mr. Grizzly". Salesman Jack Patterson topped her visit by selling Mrs. Potter a D.A.G. membership.

Jack Patterson turned in \$18 in memberships sold and Pam Jones was reordering membership cards.

Elizabeth McLean announced Lifeline was scheduled to be in by November 15. Elaine Mannisto had been advised by the Administrator to contact the Department of Northern Development and Mines in the absence of a reply.

Pat Merkley displayed the updated Scrapbook. Vice-president Pat Auger agreed to serve on Handitranst's Steering Committee.

Shirley reported changes had to be made in businesses to be surveyed this year by the high school students. Mr. Robert's "Man in Society" class is only held in Terrace Bay Campus this year. Shirley and Homemaker Patty Cagy had attended a "Man in Society" class under Mr. Roberts and made a presentation to the class about D.A.G. and Homemakers.

The curb cuts in the new section of sidewalk on Simcoe Plaza are insurmountable by both a scooter or a wheelchair, but further, had proved a hazard to the able-bodied in the evening lights.

A thank you had been sent to Jim Mikus of Shell Oil for the jacket he had donated and been raffled by D.A.G. at the Fall Fair.

Debbie Semple was introduced by Shirley. Debbie represents Nyard International, a line of modular clothing. She suggested D.A.G. sponsor a Fashion Show of her clothing as a fund raising project. Shirley will contact members by phone to make a decision.

The next meeting will be held on Nov. 16 at 7 p.m. in the McCausland Hospital Lobby when Mr. David Schinbein will be asked to demonstrate Lifeline.

Shawn Prince is to be invited to the December meeting to talk about his experiences in the Special Olympics. Everyone is cordially invited to attend.
