

THE ARTHRITIS SOCIETY

Arthritis News

A quarterly magazine for people with arthritis. Accurate, in-depth articles about arthritis, its treatment and the latest research, as well as coping strategies to make everyday life a little easier.

For information about *Arthritis News*, contact:
The Arthritis Society,
 Suite 401,
 250 Bloor Street East,
 Toronto, Ontario. M4W 3P2

The Corporation of the Township of Terrace Bay

NOTICE

Snow Removal Assistance Program

For the upcoming winter season, the municipality is again offering driveway clearing services to eligible families, which are defined as an individual, a couple, or a group of individuals living as a family unit.

To qualify for the program, a family must:

1. Contain at least one individual over the age of 65 years; or who is handicapped;
and
2. Not contain any person physically capable of performing the snow-removal which is to be supplied under this program;
and
3. Be the sole occupant group of the dwelling unit served by the driveway to be cleared under the program;
and
4. Have an application completed by an individual within the family unit stating that he/she/they are financially unable to make arrangements for driveway snow removal by any other means.

Driveways serving commercial properties or multiple dwellings will not be cleared under this program.

Application forms are available at the Municipal Office, 12 Simcoe Plaza.

An ASSOCIATE MEDICAL OFFICER of HEALTH is required in a health unit with distinction. If you have a commitment to the present, and faith in the future, consider this an invitation to discuss details.

The District of Thunder Bay covers a large area in Northwestern Ontario, extending east and west of the City of Thunder Bay, a distance of about 300 miles along the north shore of Lake Superior. Northwards the limit is the shore of Hudson Bay.

Much progress is being made in Industrial Development, Social and Cultural activities, and in sport and recreation.

This is reflected in the activities of a progressive and efficient public health unit, the second one to achieve accredited status in the province of Ontario.

The Associate MOH will assume a leadership role in a dedicated and expert team of public health professionals.

Multidisciplinary is more than an idea, it is an expanding reality which will be implemented to the fullest extent possible in the near future.

Investigation, research, and evaluation will lead to further development, and the Associate MOH will play an important leadership role.

The Associate MOH should have practical experience as a physician, and post graduate training in public health or community health.

Managerial and administration ability is required, and communication skills above average.

This is a challenging position, and salary will reflect the fact.

An extraordinary person is sought, and will be rewarded appropriately.

Apply in confidence, with C.V., indicating your expectations, to arrive by February 1, 1990 to:

Dr. S. S. Graham, Medical Officer of Health
 999 Balmoral Street
 Thunder Bay, Ontario, Canada P7B 6E7
 Telephone: (807) 625-5900
