The last VIA passenger train that we may see in our area for a long, long time. This train, VIA One, headed west on the morning of January 15, 1990. The man above may have had a perfect day for pictures, others will only remember an era.

CLEAN WATER

Area drinking water is SAFE!

By Paul Marcon

Last week's headline and article in the Terrace Bay/Schreiber News may have some people concerned about the drinking water in our area.

The water that we receive for drinking is not the same water that last week's article dealt with. PAC chairman Chris Joubert said, "No problem and never any problems have ever been an issue with our drinking water. The areas of concern mentioned in last week's article that the PAC committee are concerned about are Moberly Bay, Blackbird Creek and Jackfish Bay."

Safe drinking water, however, remains one of the main goals of the group, and PAC chairman Chris Joubert said, "it would be our ultimate goal."
