Lending Wings to the Entrepreneurial Spirit in Northern Ontario

When Dan Massicotte of Longlac recognized the opportunity to market the saw-sharpening and repair skills he had developed as an employee in the wood products industry, he also recognized the need for start-up assistance for his new business. Through

the Rural Small Business Assistance Program operated by FedNor, Dan Massicotte found the help he needed. At FedNor, getting sound business ideas off the drawing board is one way we help Northern Ontario entrepreneurs get ahead, right to the cutting edge.
