

Terrace Bay Ringette

The Terrace Bay Tweens (12&13 year olds) and Belles (14 to 17 year olds) finished the season on a winning note when they returned from Geraldton with the gold and silver medals, respectively, in their divisions.

The Tweens earned their medal in a hard-fought game, on Sunday, March 25th against long-time rival Longlac.

The Belles earned the silver medal playing in the final game against a more-tested team from Thunder Bay, a team which they had tied in round-robin play.

Earlier in the winter, on the weekend of Feb. 23i25, the Terrace Bay Ringette Association sponsored a tournament for the Petite (10 & 11 year olds) and Novice (6-9 year olds) in which

Terrace Bay's 3 players in the latter division played for our-of-town teams.

Two of those 3 ended up with gold medals playing for Longlac; and the third received a silver medal for helping out a Thunder Bay squad.

The Petites ended up in 2nd place in their division, while Longlac captured the gold. The highlight (and heart-stopper) for the Petites, however, was their down-to-the-wire, 9-8 win over Thunder Bay in their opening game. Talk about fan support!

Many thanks to John Gray for organizing the tournament, and to the other tournament officials (Fred Hnatuk, refereeing; Heather Vandergaff & Lise Hnatuk, billeting; Cathy Withers & Theresa

Gemmil, hospitality; Debbie Helmink, fund-raising) and their volunteer teams for a job well done. Thanks again to Kerry, Nancy, and Brian for their efforts in keeping the ice in good shape all weekend.

For those of you reading this article who would like to know more about ringette but have missed the opportunity to see a game, CTV's Wide World of Sports will be broadcasting Canadian Championship Ringette on April 14th. Watch the paper or channel 13 for more details later.

D.A.G. cont. from 8

ties and received several ideas.

Elaine Mannisto discussed the meeting with Murray English from Toronto with the Transit Steering Committee. Following this meeting, both the Terrace Bay and Schreiber Councils had approved the purchase of a handi-transit. D.A.G. had sent a letter of commitment to the project, stating they would help to initiate fund raising in the communities.

Claudette Correll from the Secretary of State's office would like to meet with members of D.A.G. This was arranged for March 27th at 7:00 p.m. at McCausland Hospital.

Discussion of assistance in establishing and support for an area chapter of the Diabetes Association was given the support of the members. The number of diabetics in this area warranted a branch. Pat will contact the Thunder Bay Association and report to the next meeting.

D.A.G. will meet again on April 19th in McCausland Hospital lobby. Everyone is welcome to attend.
