

Education Week Activities

Education Week is a time for parents, the media and the public to see education at work.

The theme for Education Week 1990 (April 29- May 5) is: "Education: It's Everybody's Business"

This theme has a historical significance; it was the slogan for the very first Education Week held in Ontario in 1936.

The Lake Superior Board of Education invites everyone to participate in celebrating Education Week 1990. For your information a list of activities planned for the schools in your

community is listed below. May 4th is a Divisional PD Day for all schools. Students do not attend school on this day. Come out and be part of our celebration.

The new Ontario Health Card is coming.

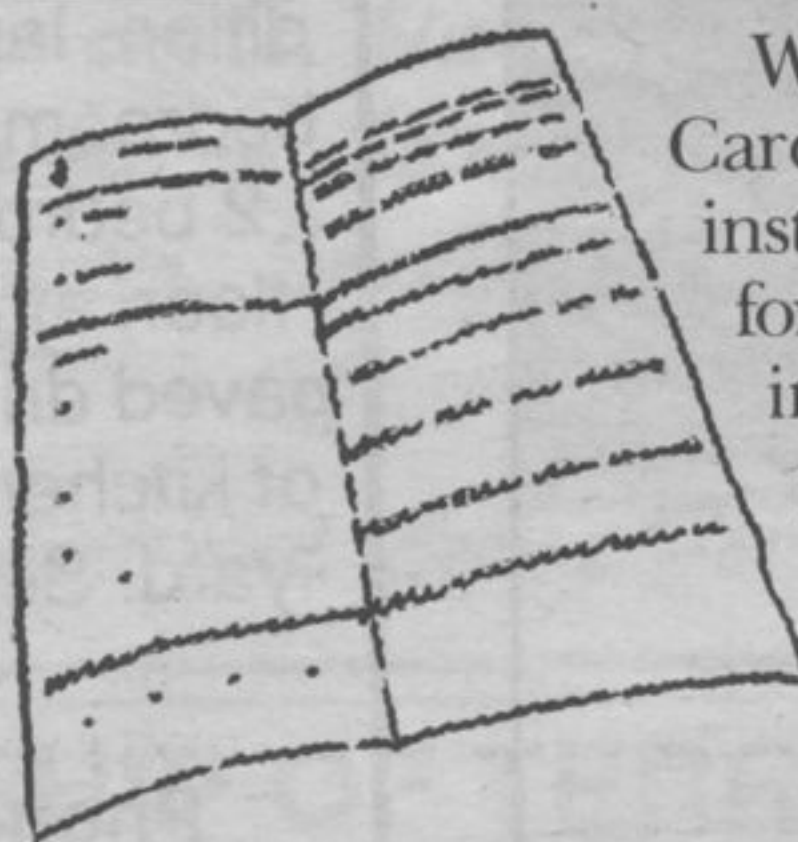

It replaces your OHIP card and gives you all the same benefits!

What is the new Ontario Health Card?

It's a plastic card with your name and new, personal health number printed on it. It gives you the same benefits you received under OHIP.

How do I get my new Health Card?

Watch your mail for the Health Card Information Kit. Read the instructions carefully, then fill in the form, and return it to us right away in the postage-paid envelope provided. The sooner we get your form, the sooner you get your new Health Card.

Why do I need a new Health Card?

It replaces your OHIP card and ensures your continuous coverage for medical services. Your new Health Card is printed with your personal number.

No one else can use it. It's yours for life.

Until your new Health Card arrives, continue to use your OHIP card!

How will I get a Health Card Information Kit?

A Health Card Information Kit will be delivered to each Ontario household. Additional kits can be picked up at Canada Post Offices and local Ministry of Health offices.

I am a Senior Citizen. Do I get a new Health Card and a new Ontario Senior Citizen Privilege Card?

Your new Health 65 Card replaces both your OHIP card and your Ontario Senior Citizen Privilege Card. As of July 1, 1990, the one number on the new Health 65 Card will provide you with all the same benefits.

Why is the system changing?

The Ontario Ministry of Health is changing to a new system that serves you better.

The new card will make possible the gathering of reliable data on services used which, by indicating health trends, will enable the Ministry to plan efficiently to meet future health care needs. This personal number will ensure a high level of confidentiality.

If you need more information, contact the Ministry of Health office nearest you, or call the toll-free Health Card Information Line: 1-800-268-1154.

Telecommunication Devices for the Deaf (TDD): 1-800-387-5559.
