Mom and Me Organization

For those of you who do not know us, the Mom & me organization has been in existence since the early 80's.

It is a non-profit organization run by parents, who together with their pre-schoolers, share in fun and learning under the guidance of an instructor.

Our program runs two mornings a week and has in past been held three mornings due to enrollment. Each Mom & tot (or tots) attend only one of the mornings offered.

The instructor plans each week's activities such as crafts, circle time with songs and games and various learning centres set up with puzzles and learning toys to suit each child's needs. The children are also free to play with the numerous toys available to them and of course one another.

All Moms are on hand to join in the fun and to share in the weekly responsibilities of running our program as it was set up.

Each Christmas season, the groups from each morning join together, on one of the scheduled Mom & Me mornings, and have a Christmas party.

This spring for the first time we had an Easter party. One of the girls was kind enough to pack up her "Bugs Bunny" and bring it in for the kids to pet and hold.

We even had a surprise visit from the "Real Easter Bunny", and much to the children's delight, they shared some goodies from her Easter basket.

Throughout the year we organize fundraising events to help finance our program as our registration fees alone are not enough

to support us. At this time, we would like to give a special mention to any businesses, organization, and others who have supported us in any way throughout the years.

Our program for this session has come to an end. We close it with a graduation ceremony com-

plete with caps, gowns, and certificates for those children off to school in the fall. The Fall session will begin in mid-September.

We welcome back familiar faces next fall and especially new ones to come back and enjoy our mornings of fun and growing together.
