

# Winnie's Scribbles

By Winnie Campbell  
Mrs. Muriel Orchard from Fort Saskatchewan, Alberta is here visiting Mom and relations...the Huards.

Two winners of the Chimo Bingo were M. Dobush and

Cheryl Therrian. Another one will start in September.

The Chimo Club assembled to pay the last rights to Mrs. Etta Gray at United Church. Our deepest sympathy. Mrs. Beth McAdam read the prayers.

The sisters from Holy Angels School have returned from their vacation. School will soon be starting and the mothers will be happy.

Get well wishes to Mrs. Todesco, Lois Gilmore, Bruce Lidkea, Ida Gifford, and Penny Caccamo.

## Birchwood residents walk 120 miles

By Angie Saunders  
*The News*

Twelve Birchwood residents have had a very active summer.

These seniors Walker's Club have walked the equivalent of the distance from Terrace Bay to Thunder Bay.

Not the whole distance at once mind you, but in the past month, they covered a combined distance of about 120 miles.

The "Walker's Club" was started up last month by summer employee Allyson Graham as a summer project for the seniors.

Every day the seniors would walk along the path near Highway 17 or through the Birchwood grounds. Allyson

would record the distance that each person walked each day and sometimes would walk along with them.

Allyson had a weekly file to keep track of the miles. The Walker's Club accomplished an astounding 120 miles in just under a month in this group effort.

The residents who participated in the activity were from age 67 to 86. The participants were: Wallis Barker, Tina Young, Anne Rybak, Viola Hansen, Mel Cady, Thursa Thompson, Edward Danio, Maybelle Furlonger, Luella McColeman, Spencer Wilson, Werner Ziegler, and Yvonne Arsenault.

Kim Kostecki had fun testing the sprinkler during a hot afternoon last week.
