Lottery funds help people with disabilities.

Sharmila lost a leg to cancer when she was six years old. With the help of a prosthetic leg, Sharmila is able to skip and swim with her friends.

Helping people with disabilities is just one way lottery funds are used.

Lottery funds are also used to provide grants in other areas such

as sports and recreation, arts and culture, hospitals, and province-wide charities.

This is how Lottery funds are working for you in your area.
