

All the World's a Circus

country? I mean if you're already drowning with an anchor around your neck, you don't start screaming for patio blocks.

This is not to say that the Senate is without power. You must understand in the democratic system of checks and balances, the chief function of this appointed, upper house is to convene in chambers at least once a year while parliament is in session and unanimously vote themselves pay raises. Many of them used to be powerful people but now they're pretty much content to sit around dozing behind the Financial Post and hoping for a really good movement.

The focus of senatorial work has shifted from travel expenses and exotic junkets since most of them are on walkers and have now narrowed in on cold cash and pensions.

Senators, as you know, are now forced to retire at age 75 or when they can no longer hear the speaker yell "sooooooeeeeee" - the call to the trough.

This is also not to say that the senate cannot benefit Canadians in such areas of employment. Most notable newly appointed Senator John Buchanan brings his very unique Nova Scotia "make work" program to the capital and

of course newly appointed Senator Pat Carney will personally boost the business of those dozen donut shops she very nearly put out of business when she left Ottawa for the private sector a couple of years ago. The money New Brunswick's Richard Hatfield will invest in roll-your-own cigarette paper is incalculable.

The Senate most definitely is not aware. Most senators believe the Dalcon Shield is a shelf of Precambrian rocks up near the Arctic Circle. A few believe it to be their constituency. In order to survive, the senate must get hip.

What they really need is an image-building rap song that tells

Canadians who they are and what they want (which as I said is a really good movement).

*(Title:) WE BE SENATORS
We be bad, you been had,
We be ever so glad...to be senators.*

*We do nothin' all day, we do nothing all night,
Lord do it feel right....to be senators.*

*Ain't never been elected, can't never be rejected,
It's you that's takin' a hosin' cause we never been popular chosen,*

*Lord it's good to be alive
Tho our pride be in the ditch
We be gettin' stinkin' rich....in the senate,*

This be the Great Canadian Country Club

We be in the news, while you people pay our dues...in the senate.

*They'll tell ya crime don't pay,
But takin' money for nothin's okay...in the senate,*

*Inside these hallowed halls,
We sip tea and adjust our shawls,
Lord it's the best thing since oat bran....in the senate.*

*(Chorus)
Tonight's the night it's really gonna happen
We're so excited, we could get knighted
We're about to lose control and we quite like it.*

First we sink the G.S.T. and then we flush the senate.

These offers available on 1990 and prior models only and may not be combined. Retail buyers choosing a reduced financing rate in lieu of cash rebate are eligible for 8.9% financing over a maximum 24-month term on approved credit. Example: For \$15,000 financed over 24 months at 8.9% APR, the monthly payment is \$664.58, the cost of borrowing is \$1,429.92 and the total to be repaid is \$16,429.92. Assuming a rebate of \$1,000 as the alternative, should you choose a reduced financing rate instead of the cash rebate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 14.85% over 24 months and the total cost of borrowing including the rebate not taken would be \$2,429.92 for 24 months. Cost of borrowing will vary depending upon the amount financed and term of loan. Financing is available through Ford credit only. Cash back and APR offers are time limited. You may keep the cash or apply it to your transaction. Delivery must be taken from dealer inventory. See dealer for details. Cash backs of \$750 available on 1990 and prior model year Econoline, Ranger and Bronco. \$1,000 cash back available on 1990 and prior model year Aerostar, Bronco II and "F" Series plus \$500 dealer cash back.
