

Holy Angels School celebrates opening of new addition

It was a bright sunny afternoon as students, parents, dignitaries and other involved members of the community assembled in the new gymnasium of Holy Angels School in Schreiber, Sunday, Nov. 4.

They gathered to celebrate, after 16 years of effort, the opening of the school's new addition.

After the school was blessed by Bishop J. O'Mara, who travelled from Thunder Bay for the occasion, and several visitors presented their greetings, people toured the new facility.

The addition contains two new classrooms, a library-resource centre, a computer room and a new gymnasium.

A song for their school

The choir of Holy Angels School sang several songs for the visitors during the opening ceremonies for the new addition. The choir, made up of children from grades 4,5,6,7 and 8, is directed by Grade 5/6 teacher, Maxine Holland

Important Changes to Unemployment Insurance

Below are the highlights of changes to the Unemployment Insurance (UI) Act. These changes will affect most claims that start on or after November 18, 1990.

Qualifying for benefits

After November 18, you will need 10-20 weeks of work within the past year to qualify for regular UI benefits. The exact number of weeks you will need and how long you will be able to collect these benefits will depend on the unemployment rate in your area.

Maternity/Parental benefits

Parents may be eligible for 15 weeks of maternity benefits (available to the mother) plus 10 weeks of parental benefits (available to either the mother or the father).

Parental benefits are also available in the case of an adoption.

Leaving a job

Individuals who leave their job without "just cause", are fired for misconduct or refuse a suitable job offer, can be penalized by losing from 7 to 12 weeks of benefits and having the amount of benefits reduced.

Working after age 65

If you work after age 65, you may now be eligible for UI. This change will be retroactive to September 23, 1988.
