It's been designed for your car, and your GM dealer knows how to install it professionally. We'll even guarantee your GM Target muffler for as long as you own the car. When it's time to service your exhaust system, why not get solid consultation from the experts? You'll get exactly what you need, and no surprises.

IN CONTROL - THANKS TO USC CANADA

On the job training breaks the pattern of poverty in third-world countries.

Thank You

My most heartfelt thanks go to those who took time to visit or call me while in the hospital, to those who sent flowers, cards, balloons and also the cooking and baking that were so generously given to myself and my family. Special thanks go to Daryl-Lynn, Lola and Judy for helping to care for my three sons and thanks to mom and dad and my brothers and sisters for their care and concern. Extra special thanks to my husband Terry and my sons for their love and support. Everyone's genuine concern and generosity has deeply touched me. Thank you so much.
